THE WINCHESTER SCHOOL DISTRICT ANNUAL REPORT

The 2008 Annual Report is dedicated to Stephen Prentice Johnson

“Dedication” and “service to community” are more than catch words or phrases to Stephen Prentice Johnson. Born November 25, 1918, Stephen was one of four children. He graduated from Thayer High School in 1936 as class valedictorian and went on to American International College, graduating with a degree in Chemistry in 1940. He was employed by A.C. Lawrence Leather Company for 43 years, working first in the lab, then as supervisor of the “soak” division and for the final fourteen years as the Employment Manager retiring in 1983.

Stephen has demonstrated a continuous commitment to serving our community and has been very generous with his time and energy.

While working for the Tannery, he volunteered as the United Way representative and served on the Board for 4 years. His community involvement included the Board of Incorporators for the E.L.M.M. Community Center for 50 years with the last 9 as Treasurer. He served the Town as Trustee of Trust Funds and as Tax Collector for 15 years. He was a member of the School Board for 10 years, during the period in which the Junior High addition was erected. He has been a Mason for 66 years and an incorporator of the Cheshire Hospital for 40 years. He served as director of the YMCA for 25 years and for his church, served on a committee or board continuously for 50 years. He also worked a bit, contributing his time and talent, on five houses for Habitat for Humanity.

After retirement, and Stephen will tell you to retire TO something, he continued volunteering at the Samaritans for 10 years. And working for the Red Cross, he made 996 trips totaling 107,000 miles taking patients to medical appointments. Also during his earlier working years, he donated a total of 15 gallons of his blood to the Red Cross. Finally, and we trust for fun, he played a part in the “Old Homestead” for 14 years.

Stephen managed to make his sizeable contribution of time and still managed to enjoy the life-changing experience of marriage and family. Marriage to Mary in 1950 and family that now includes their 3 daughters, 5 grandchildren and 3 great-grandchildren, all of whom keep him happy, concerned, worried, proud and loved. His love of the garden, planting and tending trees, keeping the house in repair and lately, splitting wood with hammer and wedges, have made his life quite an adventure. And full? If you calculate all the time he volunteered or served, it totals 260 YEARS. And then consider this, Stephen will celebrate his 90th birthday in 2008, and clearly lives life to the fullest and cares for all those around him.

TOWN MEETING WARRANT
SB2
TOWN OF WINCHESTER
STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Winchester, in the County of Cheshire in said state, qualified to vote in Town affairs:

You are hereby notified to meet in the Town Hall in said Winchester on Saturday the 2nd of February next 2008 at nine o'clock in the forenoon to discuss, debate and amend warrant articles # 1 through # 50 and to receive the reports of the selectmen, town treasurer and other town officers including the agents and committees and act thereon. Final vote will be by the official ballot on Tuesday, March 11, 2008.

You are hereby notified to meet in the Town Hall in said Winchester on Tuesday, the 11th of March next 2008 at eight o'clock in the forenoon to act upon the following subjects. The Polls not to close an hour earlier than seven of the clock in the afternoon.

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of two million one hundred thousand dollars (\$2,100,000) for the purpose of preparing plans and specifications, and for the reconstruction of the Wastewater Treatment Plant, that will qualify the town for federal and state funds, such sum to be raised by the issuance of serial bonds and notes, under and in compliance with the provisions of the Municipal Finance Act (NHRSA 33:1 *et seq* as amended) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes, to determine the rate of interest thereon, and to take such actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Winchester; and further to authorize the Board of Selectmen to apply for, accept and expend grants, donations, and gifts, and to participate in the State Revolving Fund, established pursuant to RSA 486:14.

To be enacted this article requires a 3/5 vote.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 3. To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant article and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,665,537? Should this article be defeated, the default budget shall be \$3,569,865, which is the same as last year, with

certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of revising the operating budget only.

Recommended by the Budget Committee
Recommended by the Board of Selectmen

ARTICLE 4. To see if the town will vote to raise and appropriate the sum of \$80,000 to continue reconstruction and repaving of Old Westport Road?

Recommended by the Board of Selectmen
Recommended by the Budget Committee

Change to read: To see if the town will vote to raise and appropriate the sum of \$1 to continue reconstruction and repaving of Old Westport Road?

ARTICLE 5. To see if the Town will vote to raise and appropriate \$30,000 for the Town's share of State road grant reconstruction costs for bridges and place it in the non-lapsing Capital Reserve Fund established at the March 2006 Town Meeting under Article 19 for that purpose?

Explanation: The State has approved the reconstruction of bridge #133/163 over Wheelock Brook on Old Westport Road for 2010-2011. State Bridge Aid will pay for 80% of the cost. The Town has to raise and appropriate before construction 20%. Further, reconstruction of bridge #070/106 over Broad Brook on Broad Brook Road is scheduled in 2012-2013 continuing the need for the fund.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$28,677 to be placed in the Capital Reserve Fund established under Article 16 at the 2006 Town meeting for the purpose of performing the assessing update or revaluation of the real estate in the Town of Winchester scheduled for 2009 – 2010?

Explanation: Putting funds aside at 25% per year to pay for the 2009-2010 revaluation

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$25,000 to purchase 5 new Scott Air Packs for the Fire Department.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 8. To see if the Town will vote to raise and appropriate \$24,800 as the third of five lease-to-purchase payments for the 2007 International dump truck, plow and sander package?

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 9. To see if the Town will vote to raise and appropriate an amount not to exceed \$18,000 to be deposited in the Evergreen Expendable General Care Trust Fund established by an affirmative vote by the 1998 Town meeting as article 11; the source of funds to be withdrawn from the surplus generated by the perpetual care funds already established for the care and maintenance of lots within the Evergreen Cemetery, and not from taxation.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 10. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of paying for Legal Services over and above the budgeted line for legal services if needed; to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be placed in this fund and name the Board of Selectmen to be agents to expend said funds.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of thirteen thousand dollars (\$13,000) to be placed in the Police Cruiser Capital Reserve Fund established in 2006 at the Town Meeting under Article 14, and name the Board of Selectmen as agents to expend the funds.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

Change to read: To see if the Town will vote to raise and appropriate the sum of \$1 to be placed in the Police Cruiser Capital Reserve Fund established in 2006 at the Town Meeting under Article 14, and name the Board of Selectmen as agents to expend the funds.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$6000 to support the annual Pickle Festival?

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 13. To see if the municipality will vote to raise and appropriate the sum of \$5000 to be placed in the Fire Department Capital Reserve fund, for purpose of

purchasing new fire apparatus, as established under Article 21 at the 2005 Annual Meeting.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 14. To see if the Town will raise and appropriate the sum of fifty thousand dollars (\$50,000) for the purpose of subsidizing youth recreation in the Town of Winchester to be paid to the E.L.M. Memorial Community Center on a contractual basis?

Inserted by petition
Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 15. Are you in favor of raising and appropriating the sum of six thousand dollars (\$6000.00) for the support of the Winchester Learning Center, provided that the Winchester Learning Center raises an equal or greater amount from other sources?

Inserted by petition
Recommended by the Board of Selectmen
Recommended by the Budget Committee

ARTICLE 16. To see if the Town will vote to authorize the Board of Selectmen to establish and implement a mandatory "pay by bag" program and further to adopt the provisions of RSA 31:95-c for the purpose of accounting for the sale of solid waste bags and tags or other receipts as budgeted annually, to be used to pay the cost of collection and disposal of residential solid waste and such other direct and indirect costs as budgeted annually. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Pay by Bag fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue.

Recommended by the Board of Selectmen

ARTICLE 17. To see if the Town will vote to in accordance with provisions of RSA 31:95-h,I,(b) to receive and restrict 80% of the revenues, not to exceed a cap of \$250,000, from payments for the ambulance service to expenditures for the same purpose of paying billing from outside services to include purchasing of equipment like ambulance, defibrillators or other related medical items necessary for the performance of the ambulance department from the surplus after outside services are paid, as approved by the Board of Selectmen? The

money in the fund shall be allowed to accumulate from year to year and shall not be considered part of the Town's general surplus.

Explanation: This will reduce ambulance budget funded through taxation and use their revenues to pay for expenses and use any surplus to save up for major purchases, like a new ambulance.

Recommended by the Board of Selectmen

ARTICLE 18. To see if the Town will vote to adopt the noise ordinance pursuant to RSA 31:39 I (n) that better defines the noise levels, times of day and equipment which is deemed to be unlawful?

(Copies available at the Town Clerk's office)

Recommended by the Board of Selectmen

ARTICLE 19. To see if the Town will vote to authorize the Board of Selectmen to convey to William Maxwell a permanent Right-Of-Way over the property of the Town of Winchester known as Map 6 Lot 11 for driveway and utilities access to Map 22 Lot 7, upon such terms and conditions as may be in the best interest of the Town of Winchester? This conveyance has the prior approval of the Winchester Conservation Commission.

Recommended by the Board of Selectmen

ARTICLE 20. To see if the Town will vote pursuant to RSA 80:52-c to authorize the Town Clerk/Tax Collector to accept payment of local taxes, utility charges (water and sewer), and other fees such as vehicle registrations, by use of a major credit card. And, in order to compensate the Town for the service fees associated with accepting credit card payments, to assess each transaction a service fee of 3% or \$2.50, whichever is more.

Recommended by the Board of Selectmen

Changed to read: To see if the Town will vote pursuant to RSA 80:52-c to authorize the Town Clerk/Tax Collector to accept payment of local taxes, utility charges (water and sewer), and other fees such as vehicle registrations, by use of a major credit card. And, in order to compensate the Town for the service fees associated with accepting credit card payments, to assess a service fee to offset the cost to the town.

ARTICLE 21. To see if the Town will vote to adopt the provisions of RSA 79-E and to accept for consideration requests for community revitalization tax relief incentives in accordance with this statute?

Recommended by the Board of Selectmen

ARTICLE 22. To see if the Town will adopt the provisions of RSA 466:30 which make it unlawful for any dog to run at large, except when accompanied by the owner

or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such?

Recommended by the Board of Selectmen

ARTICLE 23. To see if the Town will vote to authorize the Board of Selectmen and the Winchester Conservation Commission to purchase Rice's Texaco Station, Map 28 Lot 20, using money from the Conservation fund. This purchase does not impact taxation.

Recommended by the Board of Selectmen

ARTICLE 24. To see if the Town will vote to require that all votes by the Town's Budget Committee and Board of Selectmen relative to budget items or warrant articles be recorded votes and the numerical tally of any such vote to be printed in the Town Warrant next to the affected warrant article, as follows: "Budget Committee recommends this article by a vote of 9 – 2".

Recommended by the Board of Selectmen

ARTICLE 25. To see if the Town will vote to adopt the provisions of RSA 72:62, relative to solar energy systems, as defined in RSA 72:61; RSA 72:66 relative to wind-powered energy systems as defined in RSA 72:65; and RSA 72:70 relative to wood-heating energy systems, as defined in RSA 72:69, such that these energy systems will be exempt from the assessed value, for property tax purposes, for persons owning real property which is equipped with such systems.

Recommended by the Board of Selectmen

ARTICLE 26. Do you favor the continuation of the town manager plan as now in force in this Town?

Inserted by petition

ARTICLE 27. In accordance with RSA 231:62 are you in favor of electing a Highway Agent for a three-year term?

Inserted by petition

Changed to read: To see if the town will vote to continue to operate under an appointed road agent?

ARTICLE 28. To see if the Town of Winchester will vote to accept the road known as Ashton Rue in the subdivision known as Woodward Heights Subdivision.

Inserted by petition

ARTICLE 29. For wartime veterans tax credit: Shall we adopt the provisions of RSA 72:28, II for an optional veterans tax credit of \$300.00 on residential property and replace the standard tax credit in its entirety?

Inserted by petition

ARTICLE 30. For the surviving spouses of those persons killed on active duty: Shall we adopt the provisions of RSA 72:29-a, II, for an optional tax credit of \$1000 on the real and personal property of the surviving spouse of any person who was killed or died while on active duty in the Armed Forces of the United States or any of the Armed forces of any of the governments associated with the United States in the wars, conflicts or armed conflicts, or combat zones set forth in RSA 72:28?

Inserted by petition

ARTICLE 31. For the permanently and totally disabled veterans: Shall we adopt the provisions of RSA 72:35, I-a for an optional veterans tax credit of \$1000 for service-connected total disability on residential property and replace the standard tax credit in its entirety?

Inserted by petition

ARTICLE 32. “We the undersigned registered voters, are in favor of the Town of Winchester, New Hampshire adopting a PROPERTY TAX CAP similar to the City of Laconia’s PROPERTY TAX CAP.
Under such a PROPERTY TAX CAP the Town of Winchester, in establishing a combined town budget, shall be allowed to assume an estimated property tax rate only in the amount not to exceed the tax rate established during the prior fiscal year increased by a factor equal to the change in the National Consumer Price Index.
(This article is void, illegal and unenforceable.)

Inserted by petition

ARTICLE 33. Shall the Town permit the public library to retain all money it receives from its income-generating equipment to be used for general repairs and upgrading and for the purchase of books, supplies and income-generating equipment?

Inserted by petition

ARTICLE 34. Shall the Town require the public solicitation of competitive, sealed bids on all purchases of good and services of \$10,000 or more, such sealed bids to be opened and publicly disclosed at a public Selectmen's meeting, with exceptions only for emergency purchases approved with the signatures of a 2/3 majority of the Board of Selectmen?

Inserted by petition

Changed to read: Shall the town follow the existing town purchasing policy of \$10,000 or more?

ARTICLE 35. Shall the Town, in accordance with RSA 79-A:25, deposit in the conservation fund 10% of the revenues, up to but not exceeding a total amount of \$10,000 per year, collected in Land Use Change taxes, and deposit the balance of all such revenues in the general fund for the purpose of reducing taxation?

Inserted by petition

Changed to read: Shall the Town, in accordance with RSA 79-A:25, deposit in the conservation fund 77% of the revenues collected in Land Use Change taxes, and deposit the balance of all such revenues in the general fund for the purpose of reducing taxation?

ARTICLE 36. Are you in favor of not allowing the Board of Selectmen or any member of the Conservation Commission, to enter into any lease agreement of town owned conservation land in the Town of Winchester, NH?
(This article is void, illegal and unenforceable.)

Inserted by petition

ARTICLE 37. To see if the Town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator, and our Governor:

Resolved: We, the citizens of Winchester, NH believe in a NH that if fair and just. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call for our State Representatives, or State Senator and our Governor to reject the "Pledge" not to propose or support any state income or sales tax, and to have an open discussion covering all options and adopt a revenue system that lowers property taxes.

Inserted by petition

ARTICLE 38. Are you in favor of Amendment to Article VI, as proposed for the town zoning ordinance as follows: Rural Residential District, increase lot size minimum from one acre to two acre.

Recommended by the Planning Board

ARTICLE 39. Are you in favor of Amend Article XVIII, as proposed for the town zoning ordinance follows: Penalty. Violations of any of these provisions (zoning ordinance) may be fined up to \$250 per day. (In accordance with State Statutes).

Recommended by the Planning Board

ARTICLE 40. Are you in favor of Amendment as proposed for the town zoning ordinance: To Amend the Town of Winchester Zoning Map to expand the Forest Lake Overlay District to include the area to Rt.10 as the NW boundary of the overlay. Refer to map.

Recommended by the Planning Board

ARTICLE 41. Are you in favor of Amendment as proposed for the town zoning ordinance: To Amend Article III, L1 to change the phrase of “one unregistered” motor vehicle to one unregistered/uninspected” motor vehicle.

Recommended by the Planning Board

ARTICLE 42. Are you in favor of Amendment as proposed for the town zoning ordinance: To Amend Article XXII, Table of permitted uses”. C4, Recreational uses. Add as 4a; commercial racetracks will be permitted only in the Highway Commercial District (HC) by special exception. Commercial racetracks will not be permitted in any other district.

Recommended by the Planning Board

ARTICLE 43. Are you in favor of Amendment as proposed for the town zoning ordinance: To Amend Planned Residential development regulations. Change section C1; to allow planned residential developments in the Agricultural and Rural Residential districts only.

Recommended by the Planning Board

ARTICLE 44. Are you in favor of Amendment as proposed for the town zoning ordinance: To Amend Article III. Section A, Paragraph 2; Change the sentence “When (building) permits are not used within one year from date of issuance, application for renewal of permit must be made...” will be changed to read “When permits are not used within one year of issuance, application for a

new permit must be made...” Add as a third paragraph; all building permits are issued for a period of one year. Building permits may, at the discretion of the building inspector, be renewed for one year. All new construction shall be completed within 18 months of issuance of the permit unless the Select board has granted an extension.

Recommended by the Planning Board

- ARTICLE 45. Are you in favor of Amendment as proposed for the town zoning ordinance: To Amend the Town of Winchester zoning map by expanding the Rural Residential District by continuing the district on Forest Lake Road to, and including, Rabbit Hollow Road to end at Stone Mtn. Rd.

Recommended by the Planning Board

- ARTICLE 46. Are you in Favor of Amendment as proposed for the town zoning ordinance: To Amend Article IX, Highway Commercial District, to decrease the minimum lot size from 10 acres to 5 acres and expand the depth of the district from 300ft. to 500ft.

Recommended by the Planning Board

- ARTICLE 47. Are you in Favor of Amendments as proposed for town zoning ordinance: To Amend Article VIII-A, D, Commercial Industrial Special Use Designation, to decrease the minimum lot size from 10 acres to 5 acres.

Recommended by the Planning Board

- ARTICLE 48. Are you in favor of Amendment as proposed town zoning ordinance: To see if the town will vote to rescind the zoning ordinance regulating unnecessary noise, which was adopted on March 13, 2001.

Recommended by the Planning Board

- ARTICLE 49. Are you in favor of Amendment by Citizens petition: for town zoning ordinance: Shall the residents of the Town of Winchester vote to rescind the current Aquifer designation and replace it with a new one using data from a current 1994 geological survey map? And all undetermined aquifer areas shall remain undetermined until the Town of Winchester or its residents conduct geological data gathering.

The Planning Board does not recommend

- ARTICLE 50. Are you in favor of Amendment by Citizens petition: Proposed for town zoning ordinance: Shall the residents of the Town of Winchester vote to change the requirements of the Aquifer Protection District 3h, stating “land

uses that will render between "15%&25%" of the parcel covered with pavement, roofing or other impervious material to read "20%&35%" parcel covered..."? Also to change article VIII-A, D minimum lot size from 10acres to two acres?

The Planning Board does not recommend.

We the Undersigned Selectmen of the Town of Winchester hereby certify on the 6th Day of February, 2008 an Attested Copy of the Original Warrant was posted at the place of meeting within specified, at the Post Office in Winchester and the Post office in Ashuelot, New Hampshire being public Places in said Town.

True Copy of Warrant-Attest:

NOTES

2008 REPORT OF SENATOR MOLLY M. KELLY

As your State Senator, I am again honored and privileged to have the opportunity to serve you. This report will bring you up to date on important issues in the New Hampshire Senate affecting you, as residents of Winchester.

While I serve on the Capital Budget, Education, Executive Departments and Administration, and Transportation and Interstate Cooperation committees in the Senate, there are some specific issues on which the Senate will focus during the current legislative session: costing an adequate education, strengthening the New Hampshire Retirement System, providing broadband service, improving access to healthcare and housing, and addressing highway funding and our statewide transportation infrastructure, as well as improving job opportunities.

Last session, the Senate concentrated on several key issues important to the citizens of New Hampshire: helping working families by increasing the minimum wage; protecting our citizens' health by implementing a smoking ban in restaurants and bars, increasing access to health care by supporting expanded eligibility to health insurance, protecting New Hampshire's special places and open spaces by increasing funding of the Land and Heritage Investment Program, adopting consumer protections for individuals facing foreclosure and reducing the dropout rate in our high schools by raising the age of compulsory attendance. We also passed a fiscally responsible state budget for the FY 2008-2009 biennium that meets the needs of our most vulnerable citizens without a sales or income tax.

In FY 2007, the Town of Winchester received a total of \$4,192,510 in Education Grants; \$116,859 in Highway Block Grants; \$166,966 from the Meals & Rooms Tax distribution and \$80,402 in Revenue Sharing.

I would be happy to hear from you on any of the topics above, or other issues of concern. If you wish to contact me about these or any other matters I might assist you with, please call me at (603) 271-7803 or email me at molly.kelly@leg.state.nh.us.

Respectfully submitted,

Molly Kelly

District 10

Town Manager's Report

The Town's Annual Report is a good source of comprehensive information on town programs, department activities and events for long-term residents and newcomers alike. It also serves as an historical document showing past issues faced and decisions made. The Town Manager's report seeks to highlight some of the work of the past year, and acknowledge the issues and challenges that were faced:

Verry Brook Bridge - The problems caused by the floods of October 2005 were still being dealt with this year. Specifically, the flood resulted in the need to reconstruct Verry Brook Bridge over Wheelock Brook. The project was finally completed last spring at a total cost of \$305,000. The new bridge will serve the town for many decades and after funding from FEMA and the State, the Town share was only \$5000.

Old Westport Road - The three-year project that will end in Summer 2008 continued with Old Westport Road receiving just over 2 miles of reconstruction and paving. The final section of work includes a 1-mile stretch ending at Coombs Bridge. The Old Westport Road Bridge over Wheelock Brook is scheduled for replacement in 2010 with State Bridge Aid funds. The work performed on Old Westport Road was done very well and we are very pleased with the result. We would like to continue improving our Town roads and have other projects in mind for future.

Wastewater Treatment Plant - During the winter months, the Board of Selectmen and I began planning the future of the wastewater treatment plant. Tata and Howard Incorporated, consulting engineers, were hired to undertake a major upgrade study that would integrate our current system with new, modern equipment, enlarging our capacity potential. The new, more efficient technology will be needed to keep our plant within EPA permit guidelines for the next 25 years. The engineers proposed a \$2.9 million, two- phase upgrade that will be voted on this March. The Board of Selectmen and I support the renovations for two key reasons; first, it is seriously needed as the present equipment is either at or slightly beyond the end of its useful life. Second, doing the upgrade now will cost less than it would later and the whole town will benefit as the plant serves the downtown area, the school and town buildings.

Water distribution system - Our water distribution system received many improvements at all three wells, installing new flow meters and electric controls to regulate the pumps. The wells and reservoir now are able to "talk" to each other through telemetry to keep the reservoir at peak capacity and better conserve water.

Fire Department Equipment - The 2007 Town Meeting appropriated \$225,000 that was used to purchase outright, a new pumper-tanker truck for our fire department. The new truck is scheduled for delivery to Winchester this March and will allow us to retire two much older trucks.

Energy Audit - PSNH performed an energy audit on our Town Buildings. This resulted in not only replacing the older lighting with new energy efficient lamps, but also completing major wiring upgrades in our Town Hall, saving tax dollars on the electric bill. More Town Hall work is planned this year including refinishing our beautiful red birch floors, repainting the interior of the building and cleaning the woodwork. .

Town Beach - Major reconstruction was completed on the Town Beach concrete patio and steps. Some of the fencing was replaced and metal rails were painted. Future plans include resurfacing the concrete walls, adding more new fencing and constructing an American's with Disabilities Act-compliant ramp to the beach. Additionally, in another year, there are plans to renovate the old snack bar building to include a bathhouse with showers.

Transfer Station - The Board's review of the Pay by Bag system resulted in their decision to support the implementation of this program at our Solid Waste Transfer Station on Forest Lake Road. Selling bags to Town residents to dispose of their residential trash also encourages recycling. Since recycling is provided free to the Town, any additional recycling efforts will continue to reduce the tonnage of solid waste the Town has to pay to transport. If the Town votes to approve the "Pay by Bag" system, we expect to reduce the Transfer Stations budget by as much as half, resulting in a significant savings in tax dollars. I urge everyone to vote for the "bag" system this year.

Other important changes occurred as well:

After the 2007 elections, Marjorie Austin retired as Town Clerk/Tax Collector after 25 years of faithful, trusted service to our Town's residents. Thank you Marjorie, for the fine example you set, and example that is being carried on through our new Town Clerk/Tax Collector, Jim Tetreault. Our sincere thanks also to Joyce Parrish, who retired as Deputy Town Clerk/Tax Collector in 2007 as well, with 25 years of exemplary service to our community. Along with the many services provided by the Town Clerk/Tax Collector's office, it is important to note that through vehicle registrations, the Town Clerk's office brings in over \$500,000 of revenue to the town general fund. Additionally, there is an article this year, which if approved, will allow for use of credit cards for payment of fees.

Our newest department, Land Use, is doing more than building code enforcement. They started a committee for downtown revitalization and worked through Southwestern Regional Community Services to hire an intern to do much of the work needed to upgrade our twelve-year-old Master Plan. The goal of the committee in updating the plan is to commence the process of developing a better downtown. Also toward this end, the Conservation Commission purchased the small lot by Pisgah Diner for "Pocket Park", a space the Town will develop into a peaceful riverside park with a walkway to the water, deck, tables and benches.

The Ambulance department also saw a change in key personnel. Captain Chris Platz passed his busy ambulance crew on to a very capable leader, Debra Freeman. Our sincere thanks go to Chris for his two years of dedicated service.

I encourage everyone to review our individual department reports included in this book. These reports contain details of the activities of the last year, and their efforts to maintain and improve our Town. Some departments have added new equipment or technologies. Please review our financial statements, especially the trust funds where we manage \$1.5 million dollars for growth value.

In closing, my thanks go to the dozens of citizens who volunteer their time on our Town's committees. They serve on our Budget Committee, Conservation Committee, Historic District Commission, Planning Board, Revitalization Committee, Zoning Board and as election workers along with other Town endeavors such as the Pickle Festival. Our governing system is successful as a result of their commitment of time, talent and concern for our community. I also take this opportunity to thank the Town employees for another great year of dedication to our town. Finally, I sincerely thank our Board of Selectmen for allowing me to begin my fourth year in Winchester as Town Manager. I look forward to continuing as Town Manager and to the year ahead.

Respectfully submitted,

John H. Stetser
Town Manager

Board of Selectmen's Report

Town Meeting day 2007 brought changes to the Board of Selectmen. Incumbent Gustave Ruth won another three-year term on the Board and former Board member Kenneth Berthiaume was elected for a three-year term. One of the first issues the Board considered was how to proceed with tax-deeded property that would be in the best interest of and benefit to the Town. Previous Selectboards had decided not to tax deed mobile homes due to the potential cost to remove them when they are located in mobile home parks. The result of this was years of outstanding tax bills on these homes. While the decision was not an easy one, the Board decided to proceed with tax deeding the homes once their taxes had been delinquent for three years. The result was six mobile homes were tax deeded, and we are happy to report that the Town has not had to remove one of them. Overall approximately twenty-three properties were tax-deeded; most of them were redeemed and a small number were sold at public auction. This is one example of how the Selectboard always looks for ways to benefit the Town and lower taxes in any way possible.

The end of summer brought the resignation of Board member Gerald Hastings in September. While Gerry is missed here, he is now enjoying the warmth of Florida with his wife, Debbie. With this vacancy, the Board began the search to appoint a replacement. After advertising for the position, the Board appointed Roberta Fraser to complete Gerry's term. Roberta is a native of Winchester and was the Selectmen's secretary for four years.

In October the Board began preparing the budget for the 2008- 2009 fiscal year. With rising prices on all consumer goods, and especially oil, the task of establishing this year's budget was additionally challenging. We worked long and hard at many meetings to create a budget that is both fiscally responsible to all taxpayers and will still deliver the appropriate services to which the town is accustomed. We are happy to report that the proposed budget for 2008-2009 is \$3,665,537.00, which is only 2.08% more than the current fiscal year's approved budget.

Among the many warrant articles, there are two very important ones for all citizens to consider at this year's town meeting:

1. A \$2.1 Million dollar wastewater treatment plant maintenance and upgrade proposal
2. Pay-As-You-Throw program at the landfill/transfer station (also called Pay by Bag)

Both of these warrant articles will affect all citizens in Town and we ask everyone to take the time to become informed regarding the potential outcome, both to the Town and to all Citizens. This is important for every warrant article so you understand their potential impact before you vote.

While the tax rate increased this year, it is always our intent to keep the tax rate as low as possible while still providing the needed and expected services. The Selectboard along with the Town Manager and all those responsible for providing and acquiring services are committed to seeking out the most cost effective and efficient ways of completing projects and managing to the budget to keep costs in line.

We thank the Towns People of Winchester for your support and your interest in your local government. We encourage everyone to attend board and committee meetings and make your voices heard. This is your Town and we are honored to serve you as your Board of Selectmen.

Thank you,
Winchester Board of Selectmen

GENERAL INFORMATION

INVENTORY OF TAXABLE PROPERTY:

This year (2007/2008) the inventory form will not be mailed out to the property owners of Winchester. Whenever an inventory form is mailed out, New Hampshire law states that this form must be completed, signed, and returned to the Selectmen's Office on or before April 15th of the year of the mailing. If an inventory form is not filed on time, the property owner loses the right to appeal his or her assessment with the town and with the Board of Tax and Land Appeals or Superior Court. Forms are mailed in late March whenever an inventory is taken, so if you do not receive one contact the assessor's office in early April and one will be sent to you. If the inventory form is returned after the due date a penalty will be assessed on the second issue tax billing. The inventory form due date is April 15th.

VETERAN'S TAX CREDIT:

To be eligible an applicant must meet state residency and military service requirements. If a person receiving this credit changes his or her domicile, or a veteran's spouse becomes a widow or widower during the year, a new permanent application must be filed with this office. The town also offers a tax credit for service connected total and permanent disability. This is the only disability credit/exemption that the town offers and all applications must be validated. The due date for this application is April 15th.

ELDERLY EXEMPTION:

This exemption has three categories: age 65-74, age 75-79, and 80 years of age and older. Besides meeting age requirements there are annual income and asset restrictions for those applying for this exemption. The due date for this application is April 15th.

BLIND EXEMPTION:

Applicants who are declared legally blind are eligible for this exemption. The due date for this application is April 15th.

CURRENT USE:

Applicants must meet minimum lot size and other classification requirements in order to receive the current use credit on their land. Once land is put into current use there is a penalty tax applied when the use of the land is changed and it no longer qualifies for current use. The current use application deadline is April 15th.

INTENT TO CUT TIMBER:

Prior to each cutting operation every owner must file an intent to cut form with the Selectmen's Office. No cutting shall begin until local and state approval is given. Permits received from the state are to be posted at the site.

INTENT TO EXCAVATE:

Every owner who intends to excavate earth shall obtain a 155-E permit from the Town and then file a Notice of Intent to Excavate with the assessing officials where such excavating is to take place. This intent must be filed prior to commencing each excavating operation and at the beginning of each tax year (April 1) for continuing operations. There is a fee of \$100 for each original intent filed, made payable to the State of New Hampshire.

BUILDING PERMIT:

Any person, firm, corporation, municipality, public agency, or institution desiring to operate, maintain, offer for rent, lease, or tenancy any site, lot, field, tract of ground for location of any building, trailer or manufactured housing, or similar conveyance, place, or abode for shelter, or any other form of development-as defined in the Town of Winchester Zoning Ordinance-shall obtain a written operating [BUILDING] permit from the Board of Selectmen.

A fee to be set annually by the Board of Selectmen and payable to the Town of Winchester is required with the issuance of each permit. When permits are not used within one year from the date of issuance an application for renewal of permit must be made, and, if granted, will entail the payment of a new fee. Where applicable, it would be necessary to have received and to show proof of having received an "Approval of Construction", granted by the NH Department of Environmental Services, Water Supply and Pollution Control Division for the construction of any septic tank system-or, where applicable-a Certificate of Sewer Availability from the Board of Selectmen-before a building permit or permit to park manufactured housing shall be issued.

No building construction may begin before the permit is issued. The building permit application fee is based on the square footage of the structure. New residential construction is based on \$.12 per square foot; renovations are \$.12 per sq. ft., and commercial construction is \$.15 to \$.20 per sq.ft. The minimum fee is \$20.00. Electrical, mechanical, and plumbing permits have a flat fee of \$35.00 each.

A Demolition Permit must be obtained before the demolition and removal of any building. The fee is \$35.00 for this permit.

MANUFACTURED HOUSING:

Whenever a person moves manufactured housing into a city or town for the purpose of establishing a residence in said city or town, or whenever a person purchases existing manufactured housing with the intent of residing in the same at the existing location, he shall within fifteen days of the placement of the manufactured housing, or within fifteen days of the purchase of the same, register with the assessors of the city or the selectmen of the town where he or she intends to reside. Anyone who fails to comply with the provisions of this section shall be guilty of a violation. (RSA 72:7-B)

Further, it shall be unlawful for any person to move manufactured housing into, out of, or within the Town of Winchester without first obtaining a permit from the Board of Selectmen. The hauler of such manufactured housing shall have the permit in his possession at the time of the move.

The granting of such permit shall entail a fee, which shall be set by the Board of Selectmen, not to exceed \$100.00. This does not apply to manufactured housing that passes through the town in transit, both from and to another town.

Supplemental information is required, proving that taxes are paid up to date in whichever town it is being moved from, if used, or that the home is brand new from the factory, if new.

BUDGET OF THE TOWN WITH A MUNICIPAL BUDGET COMMITTEE

OF: WINCHESTER

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 32:24

Appropriations and Estimates of Revenue for the Ensuing Year January 1, _____ to December 31, _____

or Fiscal Year From JULY 1, 2008 to JUNE 30, 2009

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the operating budget and all special and individual warrant articles in the appropriate recommended and not recommended area. All proposed appropriations must be on this form.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below within 20 days after the meeting.

This form was posted with the warrant on (Date): JANUARY 28, 2008

BUDGET COMMITTEE

Please sign in ink.

Maximum Allowable Increase to Budget Committee's Recommended Budget per RSA 32:18: 356,635
(See Supplemental Schedule With 10% Calculation)

BUDGET COMMITTEE SUPPLEMENTAL SCHEDULE

(For Calculating 10% Maximum Increase)

(RSA 32:18, 19, & 32:21)

VERSION #1: Use if you have no Collective Bargaining Cost Items or RSA 32:21 Water Costs

LOCAL GOVERNMENTAL UNIT: WINCHESTER FISCAL YEAR END 2008-2009

	RECOMMENDED AMOUNT
1. Total RECOMMENDED by Budget Comm. (See Posted Budget MS7, 27, or 37)	3,665,537
LESS EXCLUSIONS:	
2. Principal: Long-Term Bonds & Notes	83,097
3. Interest: Long-Term Bonds & Notes	16,089
4. Capital Outlays Funded From Long-Term Bonds & Notes per RSA 33:8 & 33:7-b.	
5. Mandatory Assessments	
6. Total exclusions (Sum of rows 2 - 5)	< 99,186 >
7. Amount recommended less recommended exclusion amounts (line 1 less line 6)	3,566,351
8. Line 7 times 10%	356,635
9. Maximum Allowable Appropriations (lines 1 + 8)	4,022,172

Line 8 is the maximum allowable increase to budget committee's recommended budget. Please enter this amount on the bottom of the posted budget form, MS7, 27, or 37.

Please attach a copy of this completed supplemental schedule to the back of the budget form.

DEFAULT BUDGET OF THE TOWN

OF: WINCHESTER

For the Ensuing Year January 1, _____ to December 31, _____

or Fiscal Year From JULY 1, 2008 to JUNE 30, 2009

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

GOVERNING BODY (SELECTMEN)

or

Budget Committee if RSA 40:14-b is adopted

Part XI

CERTIFICATION

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

Signatures of a majority of the governing body:

[Handwritten signatures]

GENERAL INSTRUCTIONS

Three copies of this report are sent to each municipality. Selectmen, treasurer and tax collector are expected to cooperate in making out this report. When completed, one copy should be returned to the Department of Revenue Administration and one copy should be placed in your municipal records. The third copy is for use in preparing the annual printed report for the voters.

Please be sure you have completed Part X, items A-D.

WHEN TO FILE: (R.S.A. 21-J:34,V)

- * For cities/towns reporting on a calendar year basis, this report must be filed on or before April 1.
- * For cities/towns reporting on an optional fiscal year basis (year ending June 30), this report must be filed on or before September 1.

Board of Selectmen and Town Manager
Town of Winchester, New Hampshire

We have compiled the financial statements of the Town of Winchester, New Hampshire for the year ended June 30, 2007 included in the accompanying Form F-65 (MS-5), in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

Our compilation was limited to presenting in the form prescribed by the New Hampshire Department of Revenue Administration, information that is the representation of Town Officials. We have not audited or reviewed the financial statements referred to above and, accordingly, do not express an opinion or any other form of assurance on them.

The financial report, Form F-65 (MS-5), is presented in accordance with the requirements of the New Hampshire Department of Revenue Administration which differ from accounting principles generally accepted in the United States of America. Accordingly, these financial statements are not designed for those who are not informed about such differences.

Vachon, Clukay & Co., P.C.

REPORT OF TRUST AND CAPITAL RESERVE FUNDS

\$ 2,023,083.76

Please insert the total of ALL funds here

Town/City Of: Winchester

For Year Ended: 2007

CERTIFICATE

This is to certify that the information contained in this report was taken from official records and is correct to the best of our knowledge and belief.

Don E. Team

Print and sign

Signed by the Trustees of Trust Funds

on this date 8-7-07

REMINDERS FOR TRUSTEES

- 1. SIGNATURES** - Print and sign on lines provided above.
- 2. INVESTMENT POLICY** - RSA 31:32 requires the trustees to adopt an investment policy and review and confirm this policy at least annually.
- 3. PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE** - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust fund involved, however, please be advised the fees can be taken from income only and not from principal.
- 4. WEB SITE** - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. www.nh.gov/nhdoj/charitable/
- 5. FAIR VALUE** - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.
- 6. CAPITAL RESERVE FUND** - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).
- 7. WHEN and WHERE TO FILE** - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

REMINDERS FOR TRUSTEES

- 1. SIGNATURES** - Print and sign on lines provided above.
- 2. INVESTMENT POLICY** - RSA 31:32 requires the trustees to adopt an investment policy and review and confirm this policy at least annually.
- 3. PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE** - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust funds involved, however, please be advised the fees can be taken from income only and not from principal.
- 4. WEB SITE** - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. www.nh.gov/nhdof/charitable/
- 5. FAIR VALUE** - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.
- 6. CAPITAL RESERVE FUND** - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).
- 7. WHEN and WHERE TO FILE** - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

NOTES

WINCHESTER FIRE DEPARTMENT

6 Parker Street • Winchester, New Hampshire

Barry Kellom, Fire Chief

1 Richmond Road • Winchester, New Hampshire 03470

Voice: (603) 239-6691

The year 2007 has been a busy year for the Winchester Fire Department. I would like to take a moment to say a big THANK YOU to the Town of Winchester for approving the budget which allowed us to purchase a new Pierce/International Tanker. This piece of apparatus is a welcomed and much needed addition to our station. It is currently on the assembly line at the Pierce Factory in Appleton, Wisconsin with an anticipated arrival date of mid-March.

The department continues to recruit new members. Daytime fire calls continue to be an issue as we often don't have enough firemen that are able to respond. We will continue to open our door to anyone who is interested and qualified.

The Winchester Fire Department responded to 178 calls this year. The department consists of 24 firefighters with 6 officers. These men all put forth a great effort to help keep Winchester safe. I would like to personally thank them for their commitment to our town.

We are currently in the process of putting together an accountability system that will ensure that all firefighters are safe and accounted for at any hazardous situation.

We are also hoping to upgrade our SCBA's (Self Contained Breathing Apparatus) to meet the requirements that the National Fire Protection Association puts forth. Our current equipment is out of compliance and we are working to ensure that all firemen have equipment that will keep them safe in any situation.

Through a joint effort of the Highway and Fire Department we were able to incorporate a high band radio frequency that allows all town agencies to communicate amongst each other in the case of any emergency.

It continues to be an honor to serve Winchester as the fire chief and to work with such dedicated members. To have the support of the community has been essential in the growth of our department. I am looking forward to another successful.

Respectfully submitted,

Barry Kellom
Fire Chief

Winchester Highway Department
Annual Report
2006 – 2007

Bridges throughout the country and New Hampshire are in serious need of repair or replacement and Winchester's bridges have not gone unnoticed. State bridge inspectors identified three such bridges in Town that exhibited serious need of repair or replacement. First, Verry Brook Road Bridge received heavy damage during our recent flood and officials recommended closing and barricading the bridge. This year, work on this bridge was completed with the installation of a new, boxed culvert, returning the bridge to safe use. Fortunately for Winchester's taxpayers, most all funds for this new bridge came from FEMA and the State of New Hampshire. For the second bridge, Broad Brook Road Bridge, inspectors made the same recommendation to close and barricade the bridge. We were able to avoid the closing by placing one-quarter inch steel plates and welding them together as a *temporary resolution* to this situation. The third is the Kelly Bridge over Wheelock Brook on Old Westport Road. This road has heavy truck traffic as well as passenger vehicles and currently has weight restrictions that won't allow fuel, rubbish, construction, or fire trucks to pass over. The Town has applied for the State's Bridge Aid Program and will require engineering in the near future for both Broad Brook Road Bridge and Kelly Bridge.

The Old Westport Road reclamation and repaving project went through a second phase this year, with Town forces replacing all drainage culverts and building the road up with crushed gravel before hot top was applied. This three-year project has gone relatively smoothly, with the exception of the cost. The unparalleled increase in the cost of oil dramatically impacted not only the cost of fuel to run the equipment, but also the cost of pavement (hot top) and plastic culverts, which are both petroleum based. With only one mile to go, the completion of this project is anticipated in the coming year, with the exception of the work required on the Kelly Bridge.

I wonder if anyone can recall such a mild and almost snow-free winter as that which we experienced in 2006-2007? In January the ground was still bare and it wasn't until mid-February that we saw any significant snowfall when the area received 14 inches of white stuff. Fewer storms resulted in less than half the normal amount of winter sand being used along with a huge reduction in salt costs. Due to all this, our budget was in the black at year's end, resulting in a return of capital to the General Fund. While this was very positive, I don't anticipate mild winters being the norm; future winters may be as unexpectedly storm-filled as this year was absent of them.

We were able to complete a majority of the summer maintenance program with extra emphasis on tree trimming and the removal of dead trees. Two roads that saw extra

tree work were Clark Road and Mine Road. The program includes a variety of maintenance items such as stock-piling sand for winter, replacing crushed gravel stockpiles, grading and applying calcium chloride to our dirt roads (for dust control and to help prevent washouts), shoulder and ditch work, cleaning catch basins, patching potholes, replacing culverts, street sweeping, painting crosswalks and parking spaces, street sign replacement, mowing and brush work along Town roads, and painting and repairing equipment. Additionally, we assisted the Water Department, Transfer Station and Town Beach with projects or any other needs they had requiring our equipment and expertise.

This year, we also handled two special projects. These included the widening portions of Spofford Road to improve visibility and safety; and on Parker Street, the removal of old broken sidewalk from Main Street to Union Street, installing a new smooth paved sidewalk in its place.

If anyone has concerns regarding either our roadways or drainage issues, I welcome you to contact me at 239-4811. Highway Department personnel and I appreciate your continued support and thank you for your input.

Respectfully submitted,

Dale Gray
Road Agent

Annual Report of the Winchester Water Department for the Year 2007

During the calendar year of 2007 the Winchester Water Department pumped 48,947,900 gallons of water with the majority of this being sold to our many customers and the remaining used for fire fighting, flushing of the water mains and lost through leaks and water main breaks. Revenue received from the sale of this water is used to fund the yearly budget, to make payments after catastrophic events such as a major water main break and to fund capitol improvement projects. The Winchester Water Department is funded solely through these revenues and not from taxation.

This past year a major capitol improvement upgrade project to our wells and storage tank was initiated. These upgrades consisted of installing new pump controls and monitoring systems where none previously existed or where the controls were so aged that they no longer were capable to continue operation in a safe or reliable manner. Our new controls have enabled us to monitor the water level in the storage tank and to give us more flexibility to configure the well operations to meet the consumption demands of our customers as well as giving us improved reliability to provide water for domestic as well as commercial use and during emergencies such as fire fighting. Replacement of the antiquated equipment eliminated mercury activated switches, updated electrical wiring including a circuit breaker panel, installed a radio telemetry system to allow our storage tank to communicate with our wells and energy efficient pump controllers called VFDs (variable frequency drive) which allow us to program the pump motor controllers to match the demands on our water system.

The Winchester Water Department consists of two full time employees, a superintendent and an assistant, and a part-time clerical worker. These three employees of the Water Department maintain and operate a water distribution system of 28 ¼ miles of piping; three gravel packed wells, 190 fire hydrants, one 550,000 gallon storage tank and 1052 water services. The water system is operated within all guidelines and regulations put forth by the New Hampshire Department of Environmental Services (NH D.E.S.) and the United States Environmental Protection Agency (US EPA). All water samples are in compliance with the Safe Drinking Water Act, the results of these water samples are available from our office.

Gary Puffer, Superintendent. Employed in the water industry since 1990

Rick Meleski, Assistant. Employed in the water industry since 2005

Althea Kelton, Secretary. Employed by the Town since 1987

Town of Winchester **Police Department** **2007 Annual Report**

It is my privilege to present the 2007 Annual Report of your Winchester Police Department. 2007 has been an interesting year in many respects.

The Winchester Police Department is a full service police organization, providing twenty-four hour law enforcement services seven days a week.

The Department's calls for service remained consistent with last year, but our incident reports, (criminal and serious situations), and arrests have declined. We at the Department are very pleased by the decrease, and are committed to strive towards maintaining the trend. Now is surely not the time to let up, but to attack it even harder.

Several factors have led to the decline in arrests and incident reports. These factors include, but are not limited to stronger prosecution, more aggressive patrols, increased education, and very importantly the partnership the Department has forged with you the citizens of Winchester in your support and assistance in the deterrence of criminal activity locally.

Numerous Winchester Police Felony indictments were sought and attained by the Department through the Cheshire County Attorney's office. Indictments are tantamount to felony arrests, but are not included in our annual arrest statistics. Indictments are quite work intensive for the Department.

The Department has applied for and received federal monies for highway safety patrols, and has worked collectively with the Department of Homeland Security in the enhancement of our emergency communications.

The Department has applied for federal funding towards the purchase of three in car camera systems for your cruisers. The cameras will surely serve to enhance our prosecution efforts, better protect our officers, and provide further shelter from civil litigation.

The Department was able to replace old outdated bulletproof armor with funds collected from contractors as a result of police special details.

The Department was able to facilitate renovations of the business areas of the police department through tight budgeting efforts, and officer volunteering. We at the Police Department truly want you to be proud of your police, and are committed to that end.

Winchester Police Department

Gary A. Phillips
Chief of Police

Unfortunately, Winchester was not immune to the myriad of computer and mail scams that have recently surfaced around the country. We strongly recommend that any time you receive anything free either on line or in the mail requiring check cashing and/or money returns, you immediately contact the Winchester Police. The old saying, "if it sounds too good to be true, it is" applies here.

Thank you again to the many area businesses for their donations and support to the Winchester Police Department. A special thanks to Mr. Mikes, A-1 Pizza, Wal-Mart, David Ford, and Kulicks Market.

We at the Department are fortunate to welcome the additions of full-time officers Warren Breau and Scott Hurley, part-time officer Michael Pelton, and Part-time Desk Officer Erin Gusan. These officers surely have brightened our future.

Please accept our sincere gratitude for you allowing us to serve you.

Respectfully submitted,

Winchester Conservation Commission

Flora – Fauna – Air – Soil – Water – Recreation
1 Richmond Road – Town Hall – Winchester – New Hampshire

2007 ANNUAL REPORT

The Winchester Conservation Commission's mission is to insure the proper use and protection of our natural resources and to protect Winchester's watershed resources. A conservation commission provides a focal point within the Town for environmental concerns.

The commission may advise the Planning Board and other local bodies on conservation matters. It may act more directly to protect natural resources by acquiring, with the approval of the Selectmen, the fee (full title) or a lesser interest in land or water resources.

The WCC "may advertise, prepare, print and distribute books, maps, charts, plans and pamphlets... necessary for its work." Informing the public about the nature and reasons for a particular proposal of a conservation commission is as vital to its success as the initial research and thought behind it.

The Commission reviews applications for dredge and fill permits and applications for wetlands permits. The WCC may "intervene" or request time to investigate a permit filed with the DES wetlands bureau.

The WCC manages about 544 acres of land. Seven of the parcels are designated as town forests, and two parcels are lands with conservation stipulations. All town lands managed by the WCC are open for use for recreational purposes, such as hiking, picnicking, snowmobiling, hunting and fishing, where appropriate. A list of these properties can be seen on the Winchester website at www.winchester-nh.gov by going to the Conservation Commission page.

Activities this year have included:

- Participated in presentation on global warming, and attended some board meetings of Friends of Pisgah
- Signs were placed on town property managed by the WCC (Gardiner Mountain and Forest Lake).
- Hired the local Boy Scout troop to plant trees (from state nursery stock) on Town property along Plumb Pak Road, and to maintain them. They also transplanted White Pines dug up from right-of-way across Musterfield Park, and established a nursery to grow young stock for future plantings.
- Planted wetland plants on the Gardiner mountain land
- Worked with Jeremy Miller from Access to send a qualified high school aged candidate to the Barre Conservation Camp
- In concert with the planning board, we inspected gravel pits for compliance with regulations
- Hired the Southwest region Planning Commission to prepare Winchester's natural resources inventory to be included as a chapter of the new Winchester Master Plan.

- Made membership donations to other conservation agencies- Monadnock Conservancy, New Hampshire Timberland Association, and The Nature Conservancy
- Erected a fence on town property at Forest Lake Road, placed a picnic bench on the property for public use
- Musterfield park- Picnic tables and benches were repainted with protective coating
- Sent a letter to the planning board opposing the building of a new racetrack at Fenton Hill, listing environmental concerns.

Built under direction of Lee Gamache

Sent a letter to the owners of the Monadnock Speedpark addressing concerns about issues brought to our attention by a member of the public.. The owners were asked to address the issues and correct violations. The WCC did spot checks to make sure rules of use were respected.

- Building of the pavilion at Winchester Riverpark was finished with the help of many volunteers.
The ramp to the river was completed to carry Kayak and canoe, and other boat car top boats into the water.
- Commission members have spent many hours in correspondence and meetings with the U.S. Fish and Wildlife service discussing the proposed Silvio O. Conte wildlife refuge in the Mirey Brook and Roaring Brook areas of Winchester and the Sprague Brook area of Richmond.

The Commission meets the third Thursday every month at 7pm in the Town Hall, and welcomes guests.

Respectfully submitted,

Gus Ruth, Chairman

TOWN ANNUAL RECORDS 2008

Winchester Ambulance Department has provided emergency medical care since 1969. Our service works around the clock, 24 hours a day, seven days a week year round to serve our community of 4370+ citizens. We also treat hundreds of travelers who are visiting the area of just passing through. Our department is currently staffed by 20 Nationally Registered Emergency Medical Technicians (NREMT's) members who volunteer their time and skills to help treat and save the lives of many. We have members who have been with the department for many years and other who have just began their EMT carriers. The department also provides Paramedic level care through the DiLuzio Ambulance Services located in Keene, NH.

As we move forward, the vision for 2008 include increased revenue from utilizing the available space located in the Emergency Services Building for teaching EMT-B and EMT-I classes. Once classes begin the projected revenue range is "between", \$14,000 - \$25,000 per class. Other areas of change for this up coming year is a revenue recovery program that works towards collecting payments from those better able to afford to pay, rather then writing off their invoices after the third billing, while remaining compassionate to those who may be at an age or point in their life when understanding is the greater need then our financial gain.

As medical professionals and as your neighbors, your needs are our number one concerns. We desperately want to be able to reach those in need as soon as possible so as to give the best patient care. In order to accomplish this however, we need your help. Please display the number of your residence where it can be easily seen from the road day or night. Assist your loved ones in achieving this as well. If we can't find you, we can't help you, and there are times when seconds really do matter.

From myself, Debra Freeman, Captain of the Winchester Ambulance department and my entire staff, we look forward to 2008 as one of positive change and even better patient care. We welcome new members and provide all training at no cost to you. For more information, please call 603-239-1101.

Planning Board Annual Report

The Planning Board has worked very hard this past year addressing the various cases that have come before us. As with the economy slowing the number of cases before the board has decreased. This leaves the board a little more time to do inspections, continue education and work on projects.

The Master Plan sub committee, a sub committee of the Planning Board has been working very hard on updating the Master Plan. We have had assistance from the regional planning commission (SWRPC) as well from an intern, Shemeriah Blum-Evitts, of Umass. Late winter we will begin public hearings on the final drafts of the updates. SWRPC will produce the final version in the spring. This past summer the board held a public hearing on the Ashuelot River Corridor Management Report for adoption into our master plan. The board approved this report to be added into our Master Plan. The Conservation Commission completed a Natural Resource Inventory, which will also be included into the Master Plan.

The board thanks you for all your support this past year. You again approved 9 out of 10 proposed zoning changes that were a benefit to the Town of Winchester. We ask for your support on the proposed zoning amendments for 2008.

The board has spent a tremendous amount of time on a proposed Planned Residential development project out on Keene Road. The proposal is to build 32 condo units on 45 acres of land. Much of the land would remain undeveloped. The board has been working with SWRPC, attorneys, engineers and consultants to assure compliance with our regulations and needs.

Cases this year:

lot subdivision – 4 approved
lot subdivision – 5 approved
lot subdivision – 1 denied
boundary line adjustment- 4 approved
consultations – 9
earth Excavations – 2 approved
lot Mergers – 4 approved
site Plan Review – 5 approved (small businesses) 1 denied (racetrack)
Planned Residential Development – Denied, then reconsidered, still in progress.

Sincerely,

Margaret Sharra, Chair

**BUILDING INSPECTION, CODE ENFORCEMENT, & HEALTH OFFICER
2007 REPORT**

We had a slow year in Building Inspections, and a busy year for Code Enforcement for the Health Officers.

1. **HEALTH OFFICERS:** Leroy E. Austin and assistant health officer John E. Gomarlo are the state appointed health officers.

2007 HEALTH OFFICE ISSUES:

- A. Influenza: Flu & Vaccination Planning
- B. West Nile Virus
- C. Homeland Security planning.
- D. E.E.E. Mosquito Control Surveillance
- E. Septic System Renewals

2. **CODE ENFORCEMENT:** Code Enforcement Officer: Leroy E. Austin

2007 CODE ENFORCEMENT ISSUES:

- A. Clean up and work on old junkyards
- B. Removal of old tires and rubbish, clean up edges of ponds (breeding grounds for the West Nile virus)
- C. Life safety in old buildings: smoke and CO2 detectors
- D. Enforcement of unregistered/uninspected vehicles per town ordinances

3. **BUILDING INSPECTION DEPARTMENT:** Leroy E. Austin, Inspector

Total Building Permits Issued 2007: 115

	2005	2006	2007
Single Family Homes	25	14	12
Multi-Family Homes	1	0	0
Manufactured Homes	11	12	5
Commercial	3	3	2
Industrial:	0	1	0
Renovations & Alterations	63*	28	11
(*Includes sheds)			
Sheds, Decks, Fences, Carports	-	44	45
Garages & Barns	-	17	10
Other	-	34	13
Additions	-	-	10
Demolitions	3	4	7

Respectfully Submitted:

**Leroy Austin
Building Inspector
Code Enforcement Officer
Health Officer**

Zoning Board of Adjustment 2007 Annual Report

The Zoning Board of Adjustment (ZBA) rules on requests for variances, special exceptions, and equitable waivers from the zoning ordinances and decides appeals of administrative decisions.

In 2007 the ZBA approved four variance requests and denied one other request. M. Conant was granted a variance to create two lots for two existing homes which historically were on the same lot; R. VanDyke was granted two variances in order to establish the density for a proposed condominium development on Keene Road; and a request by R. Prentice to create a lot previously approved by the Planning Board was granted. R. Spruill's request to permit manufactured housing outside an existing manufactured housing park was denied.

The Board of Adjustment granted a Special Exception to L. Croteau for earth excavation on Scotland Road. Cardinal Development was denied a special exception to conduct earth excavation off Forest Lake Road. There were three appeals of administrative decisions, all of which were denied. R. Spruill appealed two decisions of the Code Enforcement Officer regarding manufactured housing. Chestnut Hill Properties appealed a decision of the Planning Board regarding a subdivision on Manning Hill Road. The ZBA ruled the zoning ordinance was not relied on by the Planning Board in making its decision.

The Zoning Board responded to questions and requests for opinions from eight property owners.

Winchester/Richmond Solid Waste Management District Annual Report

The District and Winchester Board of Selectmen entered into a three-year contract with Monadnock Disposal Service. The primary factor for escalating costs in the agreement is the amount of household rubbish (Municipal Solid Waste) that is generated in Winchester and Richmond. As a deterrent to this trend, the Winchester Board of Selectmen will again have an article on the Warrant addressing revenues for a Pay as You Throw (Pay per Bag) system. By a 4 to 1 vote, Richmond has already adopted a policy on revenues derived from the sale of bags that would reduce the operating budget at the transfer station. Radical idea? Not really, as unit based fees exist all over, for water, electricity, telephone, mail, internet, cable TV, why not trash? Nearly 50 towns in New Hampshire have adopted this program and have seen operating expenses (taxes) decrease accordingly. The Towns of Canterbury and Lyme have achieved remarkable results with a Pay by Bag program, in their first full year. The amount of trash generated in both communities decreased by nearly 50%. Even though Winchester and Richmond have a mandatory recycling ordinance, this program would cause residents to police themselves more effectively. I sincerely believe we can attain identical results to those seen in Canterbury and Lyme. And it is important to remember, lower operating costs equal lower taxes related to operating the Transfer Station.

Following is a list of materials and amounts handled at the Transfer Station during this past year:

Municipal Solid Waste (household rubbish)	1351 tons*
Co-mingled including glass (approximately)	131 tons
Construction and demolition debris	121 tons
Mixed paper	193 tons
Used clothing (approximately)	2 tons
Waste oil	1185 gallons
Tires	4 tons (approximately)
Compost (approximately)	200 cubic yards
Metal	30 tons (approximately)

*a 22% increase in three years and 5% increase over last year

This past year we experienced very little erosion on the closed landfill. Surface water, ground water and methane gas monitoring all continued to yield good results. The capped portion of the old landfill was mowed twice during the past year.

On the regulatory front, new state regulations required special handling for video display devices over 4 inches. This includes computer monitors, televisions, liquid crystal displays and plasma displays. As of January 1, 2008, new regulations will prohibit the disposal of mercury containing items at all landfills, transfer stations and incinerators. This means these items can no longer be disposed of as solid waste along with normal household rubbish or other garbage. The mercury ban includes the following:

- Thermometers

- Fluorescent lamps

- Thermostats

- Mercury button cell batteries (and rechargeable batteries)

- Switches and relays

Homeowners and businesses alike are subject to the ban. For disposal purposes, residents can take advantage of the Household Hazardous Waste Collection days offered at the Keene transfer station for free at dates and times that are advertised in the Keene Sentinel, Monadnock Shopper or by asking the attendant at the Transfer Station.

Stickers to gain access to our facility are available at both the Richmond and Winchester Town Halls and at the Transfer Station. The cost is \$20 for the first sticker for a household and \$1 for other vehicles at the same residence. The stickers are valid from October 1 through September 30 each year. Hours of operation for our Transfer Station are:

Tuesday	8:00 AM to 4:00 PM
Thursday	8:00 AM to 7:00 PM
Saturday	8:00 AM to 5:00 PM

The phone number for our Transfer Station is 239-8136.

Respectfully submitted,

John E. Gomarlo

Landfill Superintendent

TOWN OF WINCHESTER

January, 2008

To The Citizens Of Winchester:

It is with pleasure that I deliver my first report to you as your newly elected Town Clerk/Tax Collector. I want to thank you for the confidence that you have placed in me by electing me to this important job.

The office is open Mondays 8:00AM to 5:30PM on trial basis. Tuesdays – Friday 8:00AM to 5:00PM. Our office is open a grand total of 45 hours per week.

We were very fortunate to have had the opportunity to hire Karey Miner as the Deputy Town Clerk/Tax Collector. She brings a great banking background to assist in the Tax office. The Tax office will also work with residents who may have difficulties paying their water/sewer bill. We hope that you will feel comfortable about coming in so we can discuss payment plan options to help you remain current.

The Town Clerk's office continues to be very busy handling automobile registrations as well as the issuance of vital records.

If we can be of assistance please stop in and see us or feel free to call.

Respectfully Submitted

Jim Tetreault,
Town/Clerk Tax Collector

Report of the Emergency Management Director

Representatives of town departments, local agencies and boards all received extensive training this past year to be better prepared for any emergency situation that might affect the town. This was due in part to the semi-annual graded exercise conducted by FEMA in testing local operating procedures for emergencies surrounding the Vermont Yankee/Entergy Nuclear Power Plant. The town of Winchester was graded Proficient in all areas of its emergency operations.

In the planning stage for Winchester and all of Cheshire County is an all-inclusive plan to manage pandemic emergencies. Federal and state agencies have designated the Cheshire Medical Center to handle the training and planning.

The calendar distributed annually by Vermont Yankee/Entergy contains a host of information for all residents. Two separate forms are included in the front and back of the calendar. These forms should be completed and returned by mail by anyone with special needs. Another form may be completed and returned by anyone wishing to have a Tone-Alert Radio in their home. All information provided is kept confidential. Returned forms will be of great help to the emergency response team.

A brochure entitled Preparing for an Emergency is available at the Town Hall and Emergency Services building. It will help in preparing your personal emergency kits. It is easy to follow, and you can start with the basics and add over time. This brochure is for everyone, and will help in creating a family evacuation plan, a family communications plan and a plan for those with in-home care needs. We need to prepare ourselves and our families for any kind of disaster: flood, ice storm, wind storm, tornadoes and power outages. It's smart to prepared for the unexpected.

Respectfully submitted,

A handwritten signature in cursive script that reads "James F. Ammann".

Home Healthcare, Hospice & Community Services

Report to the Town of

WINCHESTER

2007

Annual Report

In 2007, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Winchester. The following information represents HCS's activities in your community during the past twelve months.

Service Report

Services Offered	Services Provided
Nursing	2,113 Visits
Physical Therapy	431 Visits
Speech Pathology.....	16 Visits
Occupational Therapy.....	49 Visits
Medical Social Work	229 Visits
Home Health Aide	1,168 Visits
Homemaker.....	4,446 Hours
Adult In-Home Care	2,151 Hours
Outreach.....	186 Visits
Health Promotion Clinics	84 Clinics
Age in Motion.....	104 sessions
Meals-On-Wheels	9,406 Meals
Child Health and Prenatal Care	19 Hours

Total Unduplicated Residents Served: 237

Financial Report

The actual cost of all services provided in 2007 with all funding sources is \$809,803.00. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2008, we request an appropriation of \$31,000.00 to continue to be available for home care services, and an appropriation of \$5,332.00 for the Meals-On-Wheels program.

We invite Winchester residents to visit our website at www.HCSServices.org for more information about our services. Thank you for your support.

"Treasure Reading" was the title of our summer reading program this year and was all about pirates, treasure and treasure hunts. By completing treasures hunts, prizes were given and put in treasure chests to be taken home at the end of summer. 70 children received a gift certificate to Toadstool Bookshop based on their reading. A total of 56,194 pages were read and gift certificates ranged from \$5 to \$49.50. Other related craft activities including making an edible treasure map. The summer ended with a party which included a magician and make-your-own ice cream sundaes.

Other gifts given by the library to children were a new rug, rocker and sitting cushions. These have added a lot of color to our children's room. In addition, Tumblebooks, a children's online story program, was added to our website (www.conantlibrary.org). This features picture books that can be read or heard and include activities and games associated with the books. This is available to the library on a trial basis and will be continued based on usage.

This year we coordinated with Winchester Garden Club and presented a garden program with Robert Gillmore. He talked about and is an author on number of books on low-maintenance landscaping. In spite of the snowfall that night we had a good turnout.

A marquee has finally been placed in front of the library.

Community Center

ANNUAL REPORT

2006-2007

The E. L.M.M. Community Center would like to thank the citizens of Winchester and Ashuelot for your continuing support to raise appropriated funds in the amount of \$49,520.00 for youth recreation. In addition to many other programs, the E.L.M.M.C.C. was able to fulfill its contract with the town of Winchester providing 6 weeks of summer day camp, teen recreation, 3 weeks of school vacation activities, 3 months of both fall soccer and spring baseball.

The summer of 2006 marked the finale of our 3-year agreement subcontracting the Winchester Learning Center to provide summer day camp to youth in grades K-5th. Leaving us with the tools to provide a safe, structured, fun-filled summer camp in the years ahead, we like to thank Penny Vaine and Beth Harold for their hard work, commitment and dedication to Winchester and Ashuelot's youth. You will be missed.

During the weeks of school vacation the E.L.M.M.C.C. hosted a variety of activities keeping kids active and busy. Giving our youth a better sense of the natural wonders in our own backyard, we explored the woods, trails, mountains and state parks around us. Thanks to Ted Whippie, Winchester's Selectman and hiking enthusiast, for leading us to Pulpit Falls and up Mt. Pisgah. *Friend to Pisgah State Park*, Laurell Powell and Pisgah Park Ranger, Norma Repucci, hosted our "campers" for a dynamic day at the dam. Other great trips included the Montshire Museums, ice-skating at the Cheshire Ice Arena, swimming at the Holiday Inn and tubing at Granite Gorge and were supported by more than 20 volunteers.

In the fall of 2006, 86 players and 16 coaches filled the E.L.M.M.C.C. soccer fields with 12 weeks of intramural soccer. Led by Chris Mercandetti, the E.L.M.M.C.C. Parents Advisory & Sports Booster Group organized our season, recruited volunteer coaches and spent countless hours maintaining the play area keeping it safe and fun for all. Participating in the Tri-County Baseball League with 5 other area towns, more than 15 volunteer coaches and assistant coaches (and many committed team parents) led 75 youth in 12 weeks of baseball. A special thanks to the *Home Run Derby* participants who raised over \$2,000.00 to benefit the construction of a concession stand and aid the repair of the dugouts. We would like to thank the Kiwanis Club of Winchester for their continuing support. More than 36 participants made up the E.L.M.M.C.C. Summer Volleyball program and 32 Summer Hoops Basketball program. With sponsorship from the ELMMCC, 14 co-ed teens also enjoyed these summer athletic opportunities.

The E.L.M.M.C.C. Teen Venture Crew debuted in June of 2007. This collaboration between the E.L.M.M.C.C. Teen Center and the BSA offers co-ed teens aged 14-20, a more adventurous opportunity. With 14 youth members and two adult advisors, this teen run group organized their first class 5 rafting trip on the Penobscot River. An experience that

none of us will soon forget. This group of teens triumphed through the physical and emotional challenges that this kind of team building exercise has to offer. Working for Winchester's Conservation Committee, the Teen Venture Crew secured a portion of their funds transplanting trees from Musterfield Park. Special thanks go to Dale Vancor, Paul Gamache and Gus Ruth for your patience and time with this project.

With sponsorship from the E.L.M.M.C.C. and the hard work and determination of veteran Girl Scout Leader, Jodi Champney, troops #562, #767, #848 and #4911 now total 44 participating young ladies. Chartered by the E.L.M.M.C.C., the Boy Scouts of America shares our victory in honoring a local scout, awarding him his Eagle Badge in January 2007. Without the hard work, commitment and guidance of retired Scoutmaster, Dale Vancor, successes like this would not have been possible.

The Winchester Woman's Club held their annual dinner benefit in February 2007, serving more than 120 dinners. This event supports Winchester's Community Crèche for the entire year.

The E.L.M.M.C.C. hosted its 23rd Christmas Bazaar. This holiday social event not only supports the work of many local vendors, but also, gives opportunity to our local social, civic and non-profit organizations to support their own mission. This year, while continuing their support of existing programs, the E.L.M.M.C.C. has begun to think more about new opportunities for the residents of Ashuelot, Winchester and beyond. During the entire month of March 2007, the ELMCC hosted the Children's Museum of Portsmouth. More than 35 volunteers worked to ensure this educational and cultural program for not only the local youth, but youth in 35 surrounding towns in N.H., Vt. and Mass.

Recognizing the need for quality adult programming, the E.L.M.M.C.C. hosted and sponsored a trip to Tanglewood, allowing 27 adults to relax to the music of the Boston Symphony Orchestra. New this year to the E.L.M.M.C.C., T'ai Chi and Yoga offer the mature residents of our area an alternate source for physical activity. These programs are a nice addition and accent to the Age in Motion to exercise class, co-sponsored with Home Healthcare and Hospice, twice a week.

The E.L.M.M.C.C. hosted the American Red Cross for Winchester's first blood drive in over a decade. Again, Winchester and Ashuelot rose to the challenge and not only met, but exceeded, the anticipated amount of usable blood by 5 pints. Over 30 volunteers and sponsors effortlessly worked to ensure saving the lives of so many in need. The E.L.M.M.C.C. is grateful to celebrate so many successes this year. Without the foundation of this strong community none of these events would have been so successful or rewarding.

Gratefully,

Danielle Borges, Director

for the Board of Trustees and the Board of Incorporators

Dear Town of Winchester,

The Winchester Learning Center is a nonprofit Child Care, Preschool and Family Resource Center for children ages 1-6 and their families. A developmentally appropriate curriculum is provided Monday through Friday from 6:30am - 5:30pm in a year round program. Our preschooler's curriculum introduces them to pre-academics in a play based environment to better prepare them for kindergarten. Our infant toddler program offers a wonderful sensory experience for our earliest learners. Nutritious meals and snacks are served family style where children are encouraged to serve themselves. Our food program is supplemented by the USDA Child/ Adult Care, Food Program. This summer we were fortunate to have one of our supporters donate a share from Piccadilly Farms, a local community supported agriculture farm. We also have a small garden where the children can plant and harvest their own food.

Playgroups in collaboration with HCS are offered every other Saturday for families with children ages 2-8. Families gather to share valuable parenting information. Families also benefit from the many community speakers who come to offer support and knowledge with the challenges that face today's families. The group shares summer picnics as well as holiday celebrations. Clothing Swap is held seasonally at the Town Hall in Winchester and has come to be much anticipated by many of our families in the community.

In 2007, over 70 children benefited with the comprehensive care and education at The Winchester Learning Center. Over Ninety parents and guardians were able to work or attend college knowing their children were safe, learning and reaching for optimal development at The Winchester Learning Center.

This past year The Winchester Learning Center expanded its license to care for children one year old. This was a much needed service and it has helped to fill a gap. We are currently located in the lower level of the Universalist Heritage Center, formerly known as the United Church of Winchesters brick church.

Keeping all of these services available for all the children continues to be the mission of the WLC Board of Directors since the dream of a child care and preschool program began. Thank You, Town of Winchester, for your continued investment and support for the children of this community.

October 10, 2007

Town of Winchester
1 Richmond Road
Winchester, NH 03470

Dear Board of Selectmen:

You should have recently received your 2007 county tax bill. As we have done in the past, we are providing information specific to your municipality to explain how the County taxes are allocated.

The formula for Winchester's portion of county taxes is based on the town's percentage of equalized valuations including utilities, to the overall total equalized valuations for all Cheshire County municipalities. For example, using the data from the information below, Winchester's equalized valuations for 2007, of \$290,958,318, is 3.8106% of the total equalized valuations in Cheshire County of \$7,635,510,580. That percentage is then applied against the total dollar amount of taxes to be raised.

The process I have described above is what the Department of Revenue Administration uses in order to calculate the county tax allocation. The tax amounts are calculated and certified by the DRA only after they have received all equalized valuations from the Towns in Cheshire County and the City of Keene and the total amount of taxes to be raised from Cheshire County each year. It is from the DRA's certified Tax Apportionment that the County produces the bills.

Cheshire County Tax Allocation for the Town of Winchester 2005-2007:

	<u>2007</u>	<u>2006</u>	<u>2005</u>
Total Cheshire County Equal Valuations	\$7,635,510,580	\$6,984,529,867	\$6,148,636,804
Winchester's Equalized Valuation including Utilities & Railroads*	\$ 290,958,318	\$ 270,808,904	\$ 235,909,234
Winchester's % Proportion to County Tax	3.8106%	3.8773%	3.8368%
Total Cheshire County Taxes	\$ 14,591,325	\$ 13,276,742	\$ 11,990,941
Winchester's Apportionment of County Budget	\$ 556,016	\$ 514,775	\$ 460,065

*DRA uses prior year Equalized Valuations to allocate current year County Taxes.

If you have additional questions or need further information, please do not hesitate to contact me at 355-3036.

Sincerely,

Sheryl A. Trombly, Finance Director

NOTICE OF NON DISCRIMINATION

The School Districts of School Administrative Unit No. 38 (Hinsdale School District, Monadnock Regional School District, and the Winchester School District) do not discriminate in their educational programs, activities or employment practices on the basis of race, color, national origin, age, sex, sexual orientation, religion, pregnancy, marital status, physical or mental disability, or any other protected characteristic under state or federal law, under the provisions of Title VII of the Civil Rights Act of 1964, as amended; Title VI and Title IV of the Civil Rights Act of 1964; the Age Discrimination in Employment Act of 1967; the Equal Pay Act of 1963; the Civil Rights Act of 1866; the Rehabilitation Act of 1973, including Section 504; the Older Workers' Benefit Protection Act; the New Hampshire Law Against Discrimination, RSA 354-A; Title IX of the Education Amendments of 1972; the Education of All Handicapped Children Act of 1975; the Individuals with Disabilities in Education Act of 1990; the Americans with Disabilities Act of 1990; and any other federal or state human rights laws. Any persons having inquiries concerning School Administrative Unit No. 38's policies of compliance with the regulations implementing these laws may contact:

SAU No. 38, 600 Old Homestead Highway, Swanzey Center, NH 03446
(603) 352-6955 FAX (603) 358-6708

The School Districts of School Administrative Unit No. 38 will provide a drug-free workplace in accordance with the Drug-Free Workplace Act of 1988 and its implementing regulations.

Revised: January, 2005

STATE OF NEW HAMPSHIRE

**WINCHESTER SCHOOL DISTRICT WARRANT FOR
2008-2009**

To the inhabitants of the Town of Winchester in the County of Cheshire and the State of New Hampshire, qualified to vote in school affairs:

You are thereby notified to meet at the Winchester Gymnasium at 7:00 PM on **Thursday, February 7th, 2008**, to consider the following articles in deliberative session, pursuant to RSA 40:13. The official voting of the business of the School District as determined at the deliberative session and the election of School District Officers will be held at the Winchester Town Hall on Tuesday, March 11th, 2008 with the polls open between the hours of 8:00 A.M. and 7:00 P.M.

ARTICLE ONE: Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$10,048,109**? Should this article be defeated, the default budget shall be \$10,157,466, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. **[NOTE: This operating budget warrant article does not include appropriations contained in ANY other warrant articles. The Budget Committee and the School Board recommend this article.]**

ARTICLE TWO: Shall the voters of Winchester School District adopt a school administrative unit **[SAU 38]** budget of \$1,842,413 for the forthcoming fiscal year in which **\$262,654** is assigned to the school budget of this **[Winchester]** school district? This year's adjusted budget of \$1,772,572, with \$252,698 assigned to the school budget of this school district, will be adopted if the article does not receive a majority vote of all the school district voters voting in this school administrative unit.

ARTICLE THREE: To see if the Winchester School District will vote to raise and appropriate "*up to*" **\$50,000** to be placed in the Special Education Expendable Trust Fund, and authorize such amount to be funded from the June 30, 2008 unreserved fund balance available for transfer on July 1, 2008? **[NOTE: This article will not require any additional funds to be raised through general taxation.]** The School Board this article. The Budget Committee does not recommend this article.

ARTICLE FOUR: To see if the Winchester School District will vote to authorize the school board to enter into a 4-year lease agreement for the purpose of leasing 25 computers, and to raise and appropriate the sum of \$7,065.62 for the first year's payment for that purpose? This lease agreement contains an "escape" clause. (Majority vote required). The Budget Committee and the School Board recommend this article.

ARTICLE FIVE: Shall the Winchester School District receive the reports of its agents, auditors, committees, and officers?

ARTICLE SIX: Shall the Winchester School District vote to transact any other business as may lawfully come before the meeting?

Given under our hands at said Winchester, this 25 th day of January, 2008

Report of the Winchester School Board 2007-2008

To The Citizens of Winchester,

Beyond the routine responsibilities of the Winchester School Board such as policy development and general oversight of our school district, the Winchester School Board is proud that we have made great strides in the education of our students. Winchester School has seen great improvements well beyond the updated facility in areas such as language, technology reading/comprehension as well as other specialized programs within our school to meet the needs of our students.

The Winchester School Board strives to align the education of our students for their continued success at Keene High School. The Board has supported a new reading program, new computers and is looking to add additional reading comprehension program this year. Recent negotiations have extended Winchester's contract with Keene School District for high school students. Winchester's Administration meets regularly with Keene Administrators to ensure success of out high school students.

With new resources and expertise including the efforts of our new Assistant Superintendent Dr. David Crisafulli, the Winchester School Board and Administration will continue to evaluate the progress of all students from our District. The Board reviews State testing data, which is only one measure of performance and receives a comprehensive yearly report from Keene High regarding the progress of high school students. The Board plans and supports a budget that meets the needs of all students for whom we are responsible. The Board also continues to manage their fiscal responsibility by meeting monthly with the Asst. Business Manger to review manifests.

As always, the Winchester school Board encourages parents to take an active role/participation in their student's education as they are prepared for a well-rounded future. The Winchester School Board applauds the efforts of all the teachers,

paraprofessionals, custodial and support staff and Administration that work daily with Winchester's children to ensure students success.

The Winchester School Board meets the first and third Thursday of every month at 7:00 at the Winchester School Library. The public is encouraged to attend. The Winchester School District encourages the use of the web site, which includes minutes, agendas, and school board members contact information. The web address is www.wnhsd.org

Respectfully submitted,

Colleen Duquette, Chair

**WINCHESTER SCHOOL
PRINCIPALS ANNUAL REPORT
2007-2008**

We are now in our third year as a preschool through grade eight school. We continue to work toward our common goals:

- *Support school excellence and accountability by continually examining learner outcomes, curriculum, and programs designed to meet each student's educational needs.*
- *Promote programs, policies, and procedures designed to cultivate a safe, positive preschool - through grade eight-school climate.*
- *Increase involvement among school, family, and community so that it has a positive effect on student achievement and school climate.*

We are presently participating in a New Hampshire State Department of Education program meant to identify the basic reasons that a number of our students from grades 3 to 8 have not yet scored in the proficient category in reading on the state test (NECAP). We have tested several hypotheses and will be working diligently to further address student needs. We are hopeful that the new Houghton Mifflin and McDougal-Littell reading programs will provide additional structure to our teaching and will further align us with the state curriculum standards. Further collection and interpreting of data on student performance will assist us in measuring progress and in identifying areas in need of improvement.

- Family Math Night
- Chamber Music Night
- Read Across America Day
- Geography Night
- Open House the day before school begins
- Veterans' Day & Memorial Day Programs
- Family Contra Dance

All of our events were well attended by the community, which is always appreciated.

Two of our veteran teachers retired this past year. Jean Hill, a fourth grade teacher, and Sue Haver, a kindergarten teacher, were recognized for their service to Winchester students. We also saw the retirement of Margaret Sullivan, our assistant superintendent for the past ten years.

Our partnership with Keene State College included our hosting seven student teachers and two graduate students from the WEL (World Education Link) program. We have at least twice as many this present school year.

The school year ended with an appreciation breakfast for our volunteers. We are pleased that our invitation list this past year showed that forty people assisted in a variety of ways.

It is an important time for the Winchester School. We have an impressive building, a highly qualified staff, and continued academic improvement. Our students are making us proud of their success at Keene High School. Our vision calls for a quality community school where all children build on their strengths. The involvement of families and community is always welcome and appreciated.

David Funkhouser

Principal

**Winchester School District
Special Education Report
2007-2008**

-Turbulence is life force. It is opportunity. Let's love turbulence and use it for change."

...Ramsey Clark

Special Education in the state of New Hampshire and indeed in the United States today is fraught with turbulence. Unremitting demands in the areas of student achievement, transparency, and accountability, funding limitations, fiscal responsibility, and rapid changes in technological advancements are constantly placed before us. We in Special Education understand these challenges and respond by initiating changes in moral and fiscally responsible ways.

The staff at School Administrative Unit #38 has responded to this "turbulence" by using it as an opportunity for change. The Special Services office began in July 2007 to review every facet of our operation and ask, "Is this best and most streamlined way to operate, if not, how we can change it for the better? We have collaborated with other SAU departments and enlisted their ideas in this process producing a more updated and integrated approach in the areas of fiscal management and reporting. One full year cycle with NHESIS, the state's on line Special Education database has occurred. With the data from the generated reports, we have restructured some procedures to assure we capture maximum recoupment of Catastrophic Aid funds and (ADM) Average Daily Membership monies. Special Services is partnering with WayPointe, our Medicaid to the Schools billing agent, to provide up to date training of staff and reporting services so that towns receive the full reimbursement possible for its disabled students.

In September of 2007, a new Out of District report was developed and introduced to the Winchester School Board. This streamlined format provided a clearer reporting of students in Out of District public and private settings and the financial status on a monthly basis. Data from the NHESIS system gave us the ability to develop a procedure for cross checking Special Education tuition students attending Keene High School. Lastly, in collaborative development with the Keene School administration is the creation of an Emotionally Handicapped program at Keene High School. With such a program in place, Winchester students needing

services that are more intensive would remain alongside their peers instead of being placed in out of district placements far from their home school.

This process of responding to change is dynamic and by no means ever complete. We believe however, the steps we have taken this year to embrace change provides us with the strong foundation to build upon for “turbulence” we expect to experience in the coming years.

Judith E. Bischoff, M.Ed.

Director of Student Services
School Administrative Unit # 38

**WINCHESTER SCHOOL DISTRICT DELIBERATIVE
SESSION
WINCHESTER SCHOOL GYM
FEBRUARY 8, 2007**

Board Members Present: Colleen Duquette, Valerie Cole, Bill Campbell, Chris Thompson, Brian Moser
Administration Present: Margaret Sullivan, Tom O'Connor, Debbie Child-Trabucco, D. Funkhouser, School Board Attorney, Matt Upton

Moderator Henry Parkhurst called the meeting to order at 7:00 PM.

H. Parkhurst advised that someone was videotaping the meeting, but would not identify herself. He publicly requested that he not be videotaped.

H. Parkhurst read each Warrant Article.

**C. Duquette MOVED to approve the warrant as presented;
SECONDED by C. Thompson**

C. Duquette introduced the Administration and recognized them for the work they did in preparing the budget. She thanked Asst. Superintendent Margaret Sullivan for all the work she has done for Winchester over the past ten years. She is leaving SAU 38 and will be missed. This will be her last Deliberative Session.

C. Duquette spoke to Article One and reviewed the MS-27.

Mr. Ruth asked what the increase is in Special Education over last year.

C. Duquette advised one-third of the budget is Special Education. Therefore, she will refer questions about special education to Jude Bischoff, SAU Director of Special Education Director.

C. Duquette informed the public that the School Board and Budget Committee have met with representatives for Winchester and Molly Kelly regarding the Board's concern over Special Education costs. The representatives took notes, and if there are hearings coming up regarding special education, people on the Budget Committee and the Board plan to attend.

C. Duquette said that there was a significant increase in private and public tuitions in the 07/08 school district budget.

Mr. Ruth asked if there are any grant applications out for students with special needs.

J. Bischoff advised some of the places she gets money is

from Medicaid and the Federal Government through an IDA (Individuals with Disabilities Education Act) grants.

Mr. Ruth asked what is the most costly student in Special Education at this time and how much.

C. Duquette advised due to confidentiality she could not tell him specifically, but placements range from \$30,000 to over \$100,000; possibly even over \$150,000.

J. Bischoff explained that the cost to the district for day students who attend programs outside the public school; are approximately \$30,000 placements. However, Winchester has several students whose needs are so severe that they are placed in costly residential placements.

J. Bischoff spoke about the catastrophic aide that the school receives. There are two categories of catastrophic aid, which means once the school reaches three times the average tuition of a student, which is about \$36,000, or \$37,000, the district starts to get money back. If a student is costly and exceeds 10 times the amount of the state average tuition, then the district gets everything back.

B. Moser asked J. Bischoff to explain what percentage of the Special Ed budget Winchester gets back from the Federal Government and/or the State Government, so the people understand how much of it is returned.

J. Bischoff explained the state sets the rates in July, so it does tend to change. She does not know at this point, what the numbers would be exactly in terms of what Winchester gets back. Any cost that is over the state average tuition is returned to the district.

H. Parkhurst presented the question:

Vote on the full Warrant MOTION FAILED by Standing Vote.

ARTICLE ONE: Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles, and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$9,736,581 **(The operating budget \$9,036,581 plus \$700,000 of this amount is for federal grants and nutrition grants that are funded by separate State and Federal revenues)?** Should this article be defeated, the default operating budget shall be \$9,681,872 which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in

accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. The School Board recommends this article. The Budget Committee recommends this article.

C. Duquette MOVED Article One as printed: SECONDED by: C. Thompson, MOTION PASSED by Voice Vote.

Article Two: Shall the Winchester School District vote to approve the cost items included in the three year Collective Bargaining Agreement reached between the Winchester School Board and the Winchester Federation of Teachers for the following increases in salaries and benefits at the current staffing levels:

Year	Estimated Increase of:
2007-08	\$133,939
2008-09	\$149,676
2009-10	\$ 91,141

and further to raise and appropriate the sum of \$133,939 for the upcoming fiscal year, such sums representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? The School Board recommends this article. The Budget Committee recommends this article.

Sue Newell asked for a point of order. Her understanding was the Motion was to approve the warrant as written. Advised we took the vote on that and it failed so that means the warrant failed.

M. Upton explained what happened here is we asked if the public wanted to take the warrant as a whole and vote on it or if voters wanted to vote on the articles individually. The body voted on that question.

H. Parkhurst asked for a show of hands as to who knew what they were voting on. The citizens indicated that they did.

H. Parkhurst advised according to legal counsel we did it correctly, and he certainly hopes no one is upset.

C. Thompson MOVED to open Article Two for consideration; SECONDED by: V. Cole,

Kevin Whippie MOVED to approve Article Two as printed; SECONDED by B. Campbell

B. Campbell spoke to Article Two. He advised that the Winchester School Board and the Winchester Teacher's Association reached an agreement in December, 2006 to present to the voters on the 2007 ballot. 23 teachers are off step since they have exceeded the step schedule (a combination of years of service and their educational level). These 23 higher paid teachers will receive 4.1% increases in each of the three years of this contract. The teachers have agreed to an increased giveback in health care contributions over the three-year period. The net result of the raises minus the health care giveback for

all teachers is an average of 4.3% increase for year one, 3.76% for year two, and 3.9% for year three. The contract also includes an increase in the retirement stipend, life insurance reimbursement for workshops, and tuition reimbursement.

Bill McGrath asked about tuition reimbursement. Does this represent caps; the maximum a teacher can receive?

B. Campbell - Yes, explained this is \$11,500 for all the teachers for continuing education; not per teacher, for all teachers combined. If not used by the end of the year, it reverts to the general fund.

Kevin Whippie asked for clarification on the 07-08 estimated increase of \$133,939; the next sentence below that table refers to it again; isn't that number the same thing twice? This contract would take effect in the upcoming fiscal year, is that correct?

M. Upton explained the DRA has us first declare the cost of the contract in each one of the respective years, and then you have to raise and appropriate the funds for the first year of the contract.

John Frado was confused. If the body passed Article One, was there any reason to discuss the others?

B. Moser advised all articles are above Article One. Article One is whatever dollar amount every article after that adds to.

H. Parkhurst asked for the projected total.

T. O'Connor advised K. Whippie is correct. The MS-27 shows total appropriations recommended as \$10,192,272; one column is the School Board's recommended budget amount and the other column is the Budget Committee's recommended budget amount; both the same number. This number includes Article One on the Warrant and individual warrant articles and special warrant articles, which have yet to be discussed.

J. Frado feels there was a lot of confusion as to the vote that was taken on Article One; wants to make a Motion to revisit the budget warrant.

H. Parkhurst advised we do have a motion on the floor for Article Two. He asked that J. Frado hold his motion until we deal with Article Two.

J. Frado asked what the process for teacher negotiations is. At what point does the public get to comment on that? Is this the only time?

M. Upton explained by State law, collective bargaining is done in non-public session. Once a tentative agreement is reached, it goes back to the School Board for ratification and is brought to the Deliberative Session, where voters have an opportunity to discuss the tentative agreement.

C. Frado - If voters vote down the teacher's contract, what happens; what is the timing for that?

M. Upton explained there is always the option of placing on the warrant a request for a special meeting; the School Board did not include that alternative Article on the warrant. If the salary article is defeated, the parties would go back to the bargaining table. If an agreement were again reached, the district could take it to the voters either by a special district meeting approved by the Superior Court or at the next Annual District Meeting.

C. Frado asked if someone from the School Board could comment on what the timing. Could the contract be renegotiated before the beginning of the new school year?

C. Duquette advised as soon as we knew which way it would go; we would notify the teachers so we could go back to negotiations.

M. Upton explained if the contract fails, in order to get a new contract approved, we would have to go back before the voters. That would require the district, if we wanted to do it before the start of the next school year, to petition the Superior Court for approval.

C. Frado asked what happens\ if the Judge does not give approval for a special meeting then what happens?

M. Upton - Then teachers would not have a contract for the next school year and the district would be coming back next March with an Agreement for the voters to approve.

M. Upton explained the teachers would receive the same pay as they are receiving this year, but they would receive no increase. Advances in education would be paid, but no steps.

Kevin Whippie feels teachers do a lot of work; we ask more and more of them each year and they keep delivering it. He feels voters should wholeheartedly approve this contract as a show of support to them for the work that they do for our children.

Vote on Article Two: MOTION PASSED by Voice Vote.

Chris Frado MOVED to revisit Article One; SECONDED by: John Frado; MOTION FAILED by Voice Vote.

C. Thompson MOVED to restrict reconsideration of Article One and Article Two; SECONDED by: K. Whippie, MOTION PASSED by Voice Vote.

H. Parkhurst advised that it is up to the School to pay for a crossing guard, not the Town. It is a Town problem, but it is the School' responsibility. He asked the School Board to speak to it.

ARTICLE THREE: Shall the Winchester School District vote to provide crossing guard services at the intersection of Main and Elm Streets and to raise and appropriate the sum of \$7,200 for this purpose? The School Board recommends this article. The Budget Committee recommends this article.

C. Thompson MOVED to accept Article Three as printed; SECONDED by: V. Cole

C. Thompson spoke to Article Three. Advised the school has pre-school incorporated in it that caters to ages three and up. He explained that this Article is to raise \$7,200, which would fund what he believes to be an adequate solution for students crossing the road an hour in the morning and an hour in the afternoon. The Town voted on at the Select board meeting, and put it back to the School Board as their responsibility, believing that paying for a crossing guard is a School Board responsibility, not a Town responsibility.

John Frado asked if the streetlight would also be fixed.

C. Thompson advised that he is not convinced there's anything wrong with it, but with any traffic light, the timer is such that part way across the road it tells pedestrians not to walk. He explained that the School Board really wants children crossing in one location.

B. Moser wanted to clarify that his understanding is kindergarteners only walk up to one-half mile; which means that no Kindergarteners walk across Main Street. We pick up Kindergarteners at the Learning Center, which is on this side of Main Street, and they get a bus from there. It is not an issue for Kindergarteners and below.

Richard Winter asked if the Police Department has been asked for help.

H. Parkhurst advised it has; was advised it is a school problem not a police problem.

C. Duquette advised the School Board did write the Selectmen a letter asking if it supplying a crossing guard could be part of the Police Department responsibility, but they did respond because that they felt it was a School Board issue. She thought in the letter there was something about lengthening the time on the lights.

H. Parkhurst advised Selectmen have their meetings every Wednesday at 7:00 in the Town Hall.

Mr. Ruth, Winchester Selectman, explained that the problem with the Police Department taking that responsibility is that they could be called away, so they might not be available at the time.

Mr. Ruth asked if there is a comparison in the cost of busing the children across Route 10 to the west side of Route 10 instead of hiring a crossing guard.

C. Thompson explained that the school doesn't own a bus. A one-trip bus is currently \$65.00.

Mr. Ruth feels we must be busing people to the West side of Route 10; asked why district busses can't carry the students who live on the other side of Elm Street Bridge.

C. Duquette replied that for that number of students, we would have to supply more buses.

B. Moser - That would cost more than a crossing guard.

C. Thompson feels it would be difficult to tell students that over the bridge and beyond are within the walking distance, but they are allowed to take the bus and others have to walk.

Selectman Ruth said that younger students are being dropped off on the West side of the Elm Street Bridge. Has seen the bus stop and they drop off several children.

John Frado advised that he will vote for this, but feels some common sense is missing. If the light doesn't stay on long enough for someone to cross the road, it would seem we have to lengthen the time that that light is on. Asked who is going to address this.

H. Parkhurst advised that it is a State problem and they have been notified; they have not had a chance to correct it yet. Felt the School Board would be looking into it.

C. Duquette explained that in the letter the School Board received from the Selectmen, they said that Select board would be contacting the State about lengthening the time of the light.

Mr. Harvey called for the question.

Vote on Article Three: MOTION PASSED by Standing Vote.

ARTICLE FOUR: Shall the voters of Winchester School District adopt a school administrative unit (SAU 38) budget of \$1,757,578 for the forthcoming fiscal year in which \$284,552 is assigned to the school budget of this school district (**Winchester School District**)?

This year's adjusted budget (SAU 38 of \$1,733,117, with \$280,592 assigned to the school budget of this school district (**Winchester School District**), will be adopted if the article does not receive a majority vote of all of the school district voters voting in this school administrative unit (SAU 38).

C. Duquette MOVED to accept Article Four as printed; SECONDED by: C. Thompson:

Mr. Vencor advised that he developed software for SAU 38 and learned that 70% of all SAU costs are payroll, and he believes these

costs can be more cheaply managed by a professional payroll service as a way of reducing some of the costs.

C. Thompson assured Mr. Vencor as a member of the SAU Board he will bring this up at the next SAU Board meeting and discuss it as a group.

C. Duquette advised the SAU Board Meeting is usually held the first Wednesday in May at the Emerson School in Fitzwilliam. The regular School Board meeting is next Thursday.

Sherry Parker asked what part of this budget is designated to Technology to get our eighth graders ready to meet the ICT standards.

C. Duquette advised in Article One - Technology Services in regular budget; 2600 account.

C. Thompson explained in the school currently we have a Technology grant awarded computer cart in place. Part of the technology moving forward in the school will enable a portable classroom eventually. This cart is a self-contained unit with laptop computers and can move from classroom to classroom. Awarded to us by a grant applied for within the School and the SAU is always working on these grants.

Toni Nichols - Keep hearing about grants asked if the budget that is presented for the School and the District reflects expected grant money or will the district get that money and give it back to the taxpayers at the end of the year? Have you taken your discounts already?

C. Thompson advised this budget incorporates anticipated revenues already. Any revenues that the SAU can estimate that we have coming back are calculated in there. Should we get additional revenues not allocated for something, then it is returned as part as of our unreserved fund balance at the end of the year.

Toni Nichols - So then this budget does not reflect any additional money to bring the children up to par? Advised if she read the paper correctly, the students did not pass their State tests. She was thinking that if we got money back would be tutoring money, or additional money, but there isn't.

C. Thompson advised this budget does include all brand new reading and writing programs through our Basil readers. Advised information in the paper we were already aware of for reading and writing in that we were aware of it and had a chance to plan for it and now the teachers are already using the new programs. The principal can discuss any other questions people might have.

C. Duquette called for the question.

Vote on Article Four: MOTION PASSED by: Standing Vote.

ARTICLE FIVE: Shall the Winchester School District vote to raise and appropriate "up to" \$50,000 to be placed in the Special Education Expendable Trust Fund, and authorize such amount to be funded from the June 30, 2007 unreserved fund balance available for transfer on July 1, 2007? **This article will not require any additional funds to be raised through general taxation during the current fiscal year.** The School Board recommends this article. The Budget Committee recommends this article.

V. Cole MOVED to Accept Article Five as printed; SECONDED by: C. Duquette

John Frado feels not much different then Article Two in the sense that it's almost premeditated confusion. It says this Article does not require any additional funds to be raised by taxation. That's because we already voted for those funds. Feels can be very misleading. Asked how much money there is in the Special Education fund now.

V. Cole - Currently there is \$100,000; the anticipated deficit at this point in the Special Ed budget is \$400,000.

M. Upton explained it is a State law that allows us to establish a Trust account.

J. Frado asked about \$400,000 shortfall in Special Education budget.

C. Duquette advised don't know until the end of the year what it actually will be because we have kids coming and going

J. Frado if don't know how can you say you're expecting a \$400,000 shortfall?

C. Duquette - That's what we had as of January, 2007. Every month the School Board gets a report from the SAU Special Ed. Director keeping us updated as to where we're at in Public and Private Tuitions.

J. Frado asked to consider rewriting the article like this so that it's easier to understand; perhaps a letter to the editor to clarify it.

H. Parkhurst reminded citizens that's why there are Citizens Concerns at School Board meetings twice a month. If people would start, participating and getting there when these things come up they could discuss them.

Chris Frado asked at what age we are responsible for children with special needs.

C. Duquette advised age three to twenty-one.

Chris Frado asked why age three is the threshold when we don't become responsible for the traditional student until age five or six.

M. Upton explained the State mandates an early identification program to identify children before they actually reach public schools. It's a program called Child Find. Actually, look for children through various agencies and try to identify children that are going to need them. It actually helps to save money because if we can work with children early enough we can avoid more costly placements.

Chris Frado asked what happens if the school has a \$400,000 shortfall because of Special Education.

M. Sullivan explained that the account is forecasted at this time to have \$400,000 more in public and private tuition than budgeted for 18 months ago. There is an ebb and flow in Special Education. At the close of the school year, depending on who comes into our District and who leaves our District, the Board will know if there is a shortfall. The school budget is a bottom line budget and money in other accounts can cover those expenses. M. Sullivan explained there are a number of different options. There are also some reimbursement funds that will be available for some of these programs.

Matt Upton, attorney explained that the Board can declare a deficit and fund any shortfall out of next year's budget; they can go to the Department of Revenue Administration and Department of Education and ask that they appropriate the money for the deficit which would be added to the tax rate or they can do what's called a deficit appropriation in our next March meeting to fund that shortfall.

B. McGrath asked if it is appropriate to make a Motion to amend the Article.

B. McGrath MOVED to amend Article Five deleting the words *raise and appropriate*, adding the word *authorize* up to \$50,000 to be placed in the Special Education Expendable Trust Fund and delete the words *and authorize*;

Such amount to be funded from the June 30, 2007 unreserved fund balance available for transfer on July 1, 2007?

M. Upton advised language in Article Five is language prescribed by Department of Revenue Administration. Advised you are free to amend it, but if amended there is a possibility it will be disallowed by the Department of Revenue Administration.

No SECOND TO Amendment on Article Five, MOTION FAILED.

Kevin Whippie - Asked if it is true that this is money that could come back to taxpayers to lower their tax rate, but if we don't put it

aside in this account now, in all likelihood, we will have to appropriate next year and the tax rate might be higher? By putting this aside like Mr. Thompson said, we may be saving ourselves a little bit over the cost of the changes in cost from one year to the next. Is that a correct assumption?

V. Cole - Yes.

B. Campbell advised there can only put \$50,000 if there is a surplus at the end of the year; if we end up with a \$20,000 surplus, that's the most that could be put in. If we end up with a deficit, there will be nothing that goes into it.

Vote on Article Five: MOTION PASSED by Standing Vote.

ARTICLE SIX: Shall the Winchester School District receive the reports of its agents, auditors, committees, and officers?

C. Duquette MOVED to approve Article Six as printed; SECONDED by: C. Thompson

Cindy Ryder feels it seems odd to vote on something that we don't have.

H. Parkhurst advised law says we must do it.

Vote on Article Six: MOTION PASSED by show of hands.

ARTICLE SEVEN: Shall the District vote to transact any other business as may lawfully come before the meeting?

B. Moser MOVED to accept Article Seven as printed; SECONDED by: C. Thompson, MOTION PASSED by: Voice Vote.

H. Parkhurst read the list of candidates running for School Board.

The Meeting was adjourned at 8:50 pm.

Respectfully submitted,

Peggy Higgins
Peggy Higgins

**STATE OF NEW HAMPSHIRE
WINCHESTER SCHOOL DISTRICT WARRANT FOR
MARCH 14, 2006**

**To the inhabitants of the Town of Winchester in the County of
Cheshire and the State of New Hampshire, qualified to vote in
school affairs:**

You are thereby notified to meet at the Winchester Elementary School
Gym at 7:00 PM on **THURSDAY, February 8th, 2007**, to consider the
following articles in deliberative session, pursuant to RSA 40:13. The
official voting of the business of the School District as determined at the
deliberative session and the election of School District Officers will be
held at the Winchester Town Hall on Tuesday, March 13th, 2007 with the
polls open between the hours of 8:00 A.M. and 7:00 P.M.

Winchester School Health Office Report 2007-2008

It is exciting to report that a special recognition was awarded to the Winchester School and myself last spring for all the work that was put in on the **“NH Healthy Kids 100% Pilot Program Initiative”** requested by Governor Lynch. We were the second school out of all the schools in SAU #38 and the twelfth school out of SAU #28 and SAU #29 combined that contacted all our families who had not designated any health insurance on our “emergency medical form.” Calls were made to those families to make sure they knew about the NH Healthy Kids Health Insurance Program and there was assistance in filling out the applications to get medical coverage as soon as possible. A special recognition program was held at Cheshire Medical Center with Senator Molly Kelly, the NH Health Kids Program Director, Cheshire Medical Center’s President, and both SAU #29 and #38 superintendents attended thanking the school nurses for their hard work in accomplishing this huge task. This program will be the model for all NH schools for the next school year.

Another recognition that is exciting to report is that Rose Napierkoski; elementary secretary received the **Cheshire Smiles** Volunteer of the year 2007 award for coordinating and delivering the Fluoride Treatment to all first through third grades before work on Tuesdays. Her help made the Fluoride Program possible. The Cheshire Smiles program continues to be important for our Kindergarten and third graders. All those grades are educated about the importance of daily dental care. Hygienists screened one hundred and thirty three students. Twenty nine students received cleanings. Seventeen children went to dentists for further care and twelve of the twenty nine children received sealants as preventative care.

The school has had to make accommodations for two children with severe peanut allergies. Each classroom has been made into “peanut free” rooms, and extensive training has been stressed (as peanut allergies are the most fatal of all allergies). A peanut free table has been designated for lunch in the café and children in those classrooms are asked to wash their hands more frequently before going into the classroom. This process

has been very successful and the children have been so cooperative that no medical emergencies have occurred.

Every day in the health office is a surprise and I need to be flexible for the children's immediate health needs but the vision/hearing, height, weight, and scoliosis screens are important. Special health care needs are addressed, articles about health issues are written for the parent's newsletters, and health records are maintained. I am on the Emergency Preparedness, Joint Loss, and Wellness Committees because of the safety from violence in the schools; high insurances premiums and obesity are huge national issues. I would like to improve on the Growth and Development/Puberty Program for fifth graders with parental input.

A serious issue that has come to the for front in schools is **the use of "inhalants" (abuse) by children as young as 4th grade**. Inhalants can create a very quick "high" with no lasting or detectable effects but also can be fatal. I have attended two workshops on this issue, was informed about a website with a 15 minute video for anyone to watch to educated himself or herself and be on the look out. Inhalants can be sniffing rubber cement, gas, dry eraser markers, nail polish, and removers. Please check out this **website www.drugabuse.gov**.

Another issue to point out is that this school health office is used as a major health resource for families and staff. This community is not unique. The National School Nurses Association says the trend is that many school nurses and school health offices are being used in this wider sense as a "first line" resource to health care. School health offices might actually become clinics for the community in the future. School Nursing has become so much more than taking care of children's bumps and bruises while at school with ice packs and band aids.

Lori Bartashevich, RN

Report of the Winchester Access Program 2007-2008

“Keeping kids safe, help working families, & inspiring learning.” Throughout the 2006-2007 school year, the ACCESS Program has made major strides in fulfillment of this motto. It has been our goal to not just settle for the status quo in out-of-school programming but to help set the standard and in pursuit of this, we have accomplished the following:

Safety

We have joined the Winchester School’s Emergency Response Committee and have worked to adapt the school day program’s emergency management plan to the out-of-school setting.

We have a strong sign-out procedure where no individual can sign a child out of the program unless they are placed on the emergency pick-up list by the parent/guardian or the program has received prior approval with a note and phone call.

Help Working Families

Due to the demands of many of parents’ occupations, the ACCESS program continues to offer programming before school from 6:30-8:30 am for elementary aged children and after school programming from 3:00 – 6:00 pm every day school is in session. One parent commented that if it was not for ACCESS being open so early in the morning he would lose his job.

In an effort to lighten the financial burden for families and develop the sustainability of the program, ACCESS collaborated with NH Dept. of Health & Human Services and 4-H to provide financial assistance and scholarship opportunities for our community’s families and children. Thanks to these partnerships, many new children were able to join the program. This partnership removed financial barriers for families so that all children could participate no matter what their financial status was.

Regarding the Summer Camper ship Program ACCESS has expanded its partnerships once again to the point where we now work with 10 summer camps throughout New England to provide greatly reduced rates (in most cases 90% less than the actual cost) for children and families ranging

from outdoor adventure and science based activities to the humanities and athletics.

In an effort to strengthen our connection to the district's health & wellness policy we joined the Winchester School's Advocates for Healthy Youth project where we worked to ensure that the program's health & wellness standards were coordinated with the school day program. Thanks to a partnership with Winchester School's Food Service Program students who participate in AM ACCESS receive a nutritious breakfast free of charge and a healthy snack at no additional cost.

To ensure strong communication between ACCESS and participants' families we released 16 issues of the ACCESS Update, which covered a variety of topics including financial assistance, summer camper ship, contact information, regularly schedule events volunteer opportunities and more. Thanks to the great work of the Community-School partnership coordinator ACCESS also has its own page and links on the schools website located at www.wnhsd.org.

Inspire Learning

This year we employed forty-four staff and volunteers at the elementary site and forty-seven staff and volunteers at the middle school site. The staff included school day staff and faculty, community members, construction workers, caterers, Keene State College students, martial arts instructors, farmers, Keene High School students (former ACCESS participants) and a number of other professionals who enthusiastically shared their interests, talents, and hobbies with the children of our community. Because of these and our twenty six partner organizations and businesses, ACCESS was able to offer 75+ weekly activities that included homework assistance, "Weird Science" "Down on the Farm", "Food Fun", "Wood Shop", & many other activities that allowed for students to increase their academic, social, and vocational skills. Businesses like Kulick's and the Kelly View Farm as well as organizations like the ELMMCC, Conant Public Library, Winchester Kiwanis the Winchester Learning Center, Winchester Conservation Commission, Mount Pisgah Sportsmen's' Club and the Winchester Assembly of God who made in-kind donations of goods, space, and staffing. The children and we thank you.

In our pursuit of strengthening the program and developing ourselves professionally the site coordinators and director have all remained active members of Communities and Schools Together (CAST) and the Cheshire County After school Network (CCAN). As well as regularly, attending state and New England regional meetings and conferences hosted by the NH Dept. of Education with the purpose of engaging community members and education/service professionals to increase the quality of out-of-school programs for youth of all abilities in Winchester through peer learning, professional development and advocacy.

“Keeping kids safe, help working families, & inspiring learning.” This has been our motto for the past three years and we look forward to continuing to serve the children, families, and community members of Winchester with the highest level of out-of-school programming and extended learning opportunities well into the future.

Respectfully Submitted,

Jeremy S. Miller, M.Ed.
Director
